Thompson,2000-01-01 In contrast with the widely popular interest in narrative styles Professor Thompson believes Paul s letters offer a different and valid model for preaching today He clearly demonstrates how the manner of preaching used in the pre Christian culture of Paul is both appropriate and effective in our contemporary post Christian culture Unlike most books on preaching this book does not focus on homiletic technique but on the goal of preaching a needed missing component in contemporary homiletic discussion **Paul the Preacher** John Eadie,2017-10-11 Excerpt from Paul the Preacher Or a Popular and Practical Exposition of His Discourses and Speeches as Recorded in the Acts of the Apostles It is humbly hoped in fine that the volume may be useful in giving ordinary readers a juster and fuller conception of the creed and preaching the life and work of the great apostle of the Gentiles who amidst all diversities of place time audience and immediate theme made it his constant business to preach Christ crucified May we know Him to be the power of God and the wisdom of God and experience that change of heart which is only effected by such a manifestation of His truth and glory as He vouchsafed to Saul of Tarsus About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Paul the Preacher* Raymond Bailey,1991 The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation Leslie C.
