Vest, 2014-09-30 Spike Lee's journey from guerrilla filmmaker to Hollywood insider is explored in light of his personal background the cultural influence of his films and the extensive scholarship his movies have inspired This insightful study probes the iconic filmmaker's career as a director and shaper of American culture It not only sheds light on the ways in which Lee's background influences and outlook affect his films but also discusses how he participates in transforms and transcends the tradition of black American filmmaking Each chapter offers a critical assessment of at least one and sometimes multiple Lee films examining their production history their place in Lee's filmography and their aesthetic cultural and historical significance Readers will come away from this first scholarly assessment of Lee's career and work with a better understanding of his penchant for stirring up controversy about significant social political and artistic issues as well as his role as an American artist who provokes his audiences as much as he pacifies them

Spike Lee's America David Sterritt, 2013-04-03 Spike Lee has directed written produced and acted in dozens of films that present an expansive nuanced proudly opinionated and richly multifaceted portrait of American society As the only African American filmmaker ever to establish a world class career Lee has paid acute attention to the experiences of racial and ethnic minorities But white men and women also play important roles in his movies and his interest in class race and urban life hasn't prevented his films

from ranging over broad swaths of the American scene in stories as diverse as the audiences who view them His defining trait is a willingness to raise hard questions about contemporary America without pretending to have easy answers his pictures are designed to challenge and provoke us not ease our minds or pacify our emotions The opening words of his 1989 masterpiece *Do the Right Thing* present his core message in two emphatic syllables Wake up Spike Lee s America is a vibrant and provocative engagement not only with the work of a great filmmaker but also with American society and politics
