A Description of the Rational Method in Reading (Classic Reprint) Edward G. Ward,2017-12-19 Excerpt from A Description of the Rational Method in Reading It was these considerations that led me some years ago into a course of study and experiment that resulted in the development of what has since been called the Rational Method in Reading This method is now in use in nearly all the schools of Brooklyn in many of which marvelous results have been obtained In those schools in which it has been mastered the time formerly devoted to the acquirement of a reading vocabulary of two hundred words now gives the children one of more than a thousand while their enunciation is clearer and their reading is more spirited and in every other respect better than formerly Nor does the improve ment end here for it is a matter of general observation where this method is employed that in all their studies the pupils do far more to help themselves than they did before its introduction The rational method is a peculiar combination of the sen tence and the phonetic method It utilizes each for that part of the work to which it is more particularly adapted The sentence method is used first as principal because of its value in developing a habit of reading thoughtfully and afterward as auxiliary to remedy the shortcomings of the phonetic method and increase the stock of word phonograms The phonetic method which is introduced by easy stages during the ascendancy of the sentence method finally becomes itself the principal means of growth and progress About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction
