

Arabic basics made easy—and fun!

Studying Arabic can be intimidating. Not only do you face the usual challenges of learning a new language—vocabulary, grammar, verb tenses—but you also must contend with a non-Roman script. The extraordinarily accessible *Read & Speak Arabic for Beginners* entertains while you learn, lessening the anxiety of a new script and increasing your desire to master Arabic.

This program teaches you basic vocabulary and explains sentence structures for eight key areas of everyday life—introducing yourself, saying where you're from, asking what things are, asking where things are located, describing objects and people, asking how to get around, talking about your family, and describing what you do. The accompanying audio CD, MP3-compatible, features all the key words and phrases so you can hear how they are pronounced and then have a chance to repeat them.

Inside you will find:

- Clear explanations of how to use basic phrases in everyday conversations
- Entertaining activities, games, and puzzles to check your progress
- Illustrated flash cards to help you memorize key phrases
- Listening exercises and audio games on the CD to further reinforce your comprehension
