Shapiro,1999-09-01 We all want to do the right thing But determining the right thing to do isn t always easy Everytime we pick up a newspaper or turn on the TV someone tells us how we ought to behave Rarely however do we get much assistance in deciding what to do for ourselves Meanwhile technological developments and rapid social changes make the right decisions especially about the BIG issues life death sex justice and so on harder and harder to identify *Choosing the Right Thing to Do* responds to the growing need that people of all ages have for moral guidance without moralizing It contains a rich palette of principles and strategies stories and examples ideas and insights that offer real world help for intelligently addressing the often quite troubling choices we face every day in our personal relationships jobs and lifestyles

What's the Right Thing to Do? Selma Wassermann,2019-05-24 Making choices is one of the more pervasive acts of life Almost every action we take demands that choices be made Knowing how to choose wisely to choose after reflection to be aware of what motivates that choice to see the consequences of that choice on others enables us to live healthier more productive and more responsible lives We now live in a world in which our traditional moral

exemplars have been less than honorable in their public behavior With fewer heroes and flawed role models how are children to come to an understanding of what's right what's good decent and socially responsible Do as I say not as I do is hardly a viable tenet to guide children's choices This book offers important tools for carrying out effective strategies that build caring environments in the classroom and home for teaching children to weigh decisions in the face of potential consequences examine rationales for their choices and study the effects of their choices on others i.e. to think more carefully about ethical problems in the presence of the moral freedom to determine for themselves what it means to lead a good and virtuous life

Spike Lee's Do the Right Thing Mark A. Reid, 1997-05-13 A collection of essays on Spike Lee's *Do the Right Thing* *The Right Thing* James Richard Larson, 2007-03-06 From James Richard

Larson author of *The Eye of Odin* and *Wolfgar The Story of a Viking* comes his third novel a study in horror titled *The Right Thing* When a woman is found wandering on a quiet rural road her incoherent rambling is dismissed as fantasy But others are about to learn that the man from the woods the man attired in black intends to pay them a visit as well Not only will he enter their lives he will alter their very reality *The Right Thing* will take you on a journey into a world of kabbalistic magic a world of trance and ritual where an ancient evil is released from the power of one woman s will So pick up the wand sword cup and pentacle step into the magic circle and accompany us on a tour of the dark place **Right Thing, Right Now** Ryan Holiday,2024-06-11 INSTANT 1 NEW YORK TIMES BESTSELLER In his New York Times bestselling book *Discipline Is Destiny* Ryan Holiday made the Stoic case for a life of self discipline In this much anticipated third installment in the *Stoic Virtues* series he argues for the necessity of doing what s right even when it isn t easy For the ancients everything worth pursuing in life flowed from a strong sense of justice or one s commitment to doing the right thing no matter how difficult In order to be courageous wise and self disciplined one must begin with justice The influence of the modern world often tells us that acting justly is optional Holiday argues that that s simply untrue and the fact that so few people today have the strength to stand by their convictions explains much about why we re so unhappy In *Right Thing Right Now* Holiday draws on fascinating stories of historical figures such as Marcus Aurelius Florence Nightingale Jimmy Carter Gandhi and Frederick Douglass whose examples of kindness honesty integrity and loyalty we can emulate as pillars of upright living Through the lives of these role models readers learn the transformational power of living by a moral code and through the cautionary tales of unjust leaders the consequences of an ill formed conscience The Stoics never claimed that living justly was easy only that it was necessary And that the alternative sacrificing our principles for something lesser was considered only by cowards and fools *Right Thing Right Now* is a powerful antidote to the moral failures of our modern age and a manual for living virtuously

Do the Right Thing Ed Guerrero, 2020-05-14 Spike Lee's *Do The Right Thing* 1989 is one of the most popular and celebrated examples of the African American new black film wave. Set during the hottest day of a hot summer in New York City, the film's ensemble cast, including Lee himself, brilliantly play out the edgy negotiations and dramas of a racially and culturally diverse working-class Brooklyn neighborhood. Contrary to Hollywood's markedly cautious treatment of race and its confinement to the South and the past, *Do The Right Thing* offers a nuanced portrayal of black urban life. From hip-hop fashions, Afrocentric colors, and rap music to police brutality, gentrification, non-white immigration, de-industrialization, and joblessness, *Do The Right Thing* depicts it all from a contemporary African American point of view. In his insightful study of the film, Ed Guerrero discusses how it epitomizes Spike Lee's powerful impact on the representation of race and difference in America, the progress of black film making, and the rise of multicultural voices in the media. This new edition includes a foreword by the author reflecting on Lee's subsequent film making career and on an America in which African Americans still contend with racial discrimination and police brutality. Guerrero emphasizes Lee's especially timely understanding of black film making as a complex act mixing the skills of art, politics, and business in order to fashion a creative practice that confronts institutional discrimination and power relations head-on.

Doing The Right Thing David Greene, 2013-11-19 Who controls today's conversation about what education should be in the classroom? Bill Gates, Arne Duncan, Michelle Rhee, Media Politicians. Who has gained more and more control of what actually goes on in the classroom? Bill Gates, Arne Duncan, Michelle Rhee, Media Politicians. Why? Where are the voices of the thousands of talented and loved teachers whose classrooms should be models of what works regardless of the socioeconomic environment they are located in? I am but one of many. Each of us has gotten to be who we are as teachers through our own set of circumstances. We like all other professionals learn our craft through our experiences as well as our academic preparation. Some of us get to pass on what we have learned about our craft by becoming supervisors, mentors, or university lecturers. I have mentored new teachers. I have taught a graduate education class. But those endeavors have reached relatively few. I have even spawned new teachers inspired by me, but those are even fewer. Initially, it is why I started writing this book. Much of it started as advice to give to my mentees. Then some suggested to me to write a book. So I did.
