The Mathematical Mind of F. M. Dostoevsky Michael Marsh-Soloway,2024-11-19 The Mathematical Mind of F M Dostoevsky Imaginary Numbers Non Euclidean Geometry and Infinity reconstructs the curriculum and readings that F M Dostoevsky encountered during his studies and connects such sources to the mathematical references and themes in his published works Prior to becoming a man of letters Dostoevsky studied at the Main Engineering School in St Petersburg from 1838 to 1843 After he was arrested submitted to mock execution by firing squad and sentenced to penal servitude in Siberia for his involvement in the revolutionary Petrashevsky Circle in 1849 most of his books and journals from the period of his education were confiscated and destroyed by the Third Section of the Russian Secret Police Although most scholars discount the legacy of his engineering studies the literary aesthetics of his works communicate an acute awareness of mathematical principles and debates This book unearths subtexts in works by Dostoevsky communicating veins of mathematical thought that evolved throughout Classical Antiquity the Renaissance and the Scientific Revolution

**The World's Major**

**Languages** Bernard Comrie, 2018-04-17 The World's Major Languages features over 50 of the world's languages and language families. This revised edition includes updated bibliographies for each chapter and up-to-date census figures. The featured languages have been chosen based on the number of speakers, their role as official languages, and their cultural and historical importance. Each language is looked at in depth, and the chapters provide information on both grammatical features and on salient features of the language's history and cultural role. The World's Major Languages is an accessible and essential reference work for linguists.

*Grammatical Profiles* Martin J. Ball, Paul Fletcher, David Crystal, 2019-07-15 This book brings together 12 previously unpublished language profiles based on the original Language Assessment Remediation and Screening Procedure (LARSP). The languages featured are Bangla, Croatian, Colombian Spanish, Inuktitut, Norwegian, Portuguese, Russian, Slovak, Slovenian, Swahili, Tamil, and Turkish. Some of these languages are included as they are likely to be encountered as home languages of clients by speech language therapists and pathologists working in the UK, the US, Australia, and elsewhere. Others are included because they are languages found where speech language pathology services are provided but where no grammatical profile already exists. The collection will be an invaluable resource book for speech language pathologists who wish to analyse and assess the grammatical abilities of their clients who speak one of these languages. This new collection complements previous books in this series on the same theme, and together they cover 34 languages of the world.
