**Language and Prosody of the Russian Folk Epic** Roy G. Jones,2019-01-29 No detailed description available for *Language and Prosody of the Russian Folk Epic* Criticism and Objectivity Raman Selden,2023-07-14 First published in 1984 *Criticism and Objectivity* argues that literary critics should not abandon the concept of knowledge English literary criticism has long considered theory to be alien to the felt experience of readers and writers the Romantic attitude towards reason and feeling has continued to inhibit the conceptual development of criticism The similarities between the role of theory in science and in literary criticism imply the need for objectivity to be redefined rather than abandoned While accepting that tests are relatively open structures defying final interpretations Dr Selden argues that their plurality is as much the effect of historical conditions as of the nature of language or subjectivity He calls for an historical criticism capable of conducting the voices of the text without resorting to formalism or reducing the text to its background This book will be of interest to students of literary theory Literature as Communication and Cognition in Bakhtin and Lotman Allan Reid,2016-08-19 This title first published in 1990 argues for the existence of a significant connection between the theories of literature and culture of Mikhail Mikhailovich Bakhtin 1895 1975 and Iurii Mikhailovich Lotman 1922 1993 There is general agreement in the academic or scholarly community that there is such a connection however it is generally held to refer to Bakhtin s influence on Lotman which he expressed late in his life The major aim of this study meanwhile is to demonstrate that the critical theories of Lotman and Bakhtin are highly compatible independent of and prior to any direct influence This title will be of interest to students of literature and literary theory Flint on a Bright Stone Kirsten Blythe Painter,2006 *Flint on a Bright Stone* closes a significant gap in the history of Modernist poetry by identifying the existence of Tempered Modernism an international phenomenon exemplified by Akhmatova Rilke H D and Williams and characterized by small poems written with precision restraint simplicity equilibrium and hardness *Modernisms* Peter Nicholls,2017-10-07 Peter
