

The background of the entire image is a deep blue night sky. In the upper center, a bright yellow comet with a long, wispy tail streaks across the sky. To the left, there is a large, detailed spiral galaxy with a bright central core. To the right, another smaller, more distant galaxy is visible. In the bottom right corner, the dark silhouette of a house's roof is shown, with a single window glowing with a warm yellow light. The overall scene suggests a connection between the vast universe and the home on Earth.
