

The background image shows the interior of a large, historic church. The upper half features a high, vaulted ceiling with intricate stone tracery and a series of ribbed arches. The lower half shows a modern lounge area with a circular arrangement of low tables and stools, illuminated by a warm, orange glow. A large, circular, illuminated structure hangs from the ceiling in the center of the lounge. People are seated at the tables, and a long white table with chairs is visible in the foreground.

## **Secularization Rationalism And Sectarianism Essays In Honour Of Bryan R Wilson:**

Secularization, Rationalism, and Sectarianism Bryan R. Wilson, 1993 How secular is contemporary society Are pockets of sectarianism embedded in societies of developed countries This timely book examines the interweaving of politics and religion and of tradition and innovation in a variety of cultural settings Eminent scholars from four continents examine here current turmoil in religious beliefs practices and organization not only in the Western world but in South America Africa South Asia New Zealand and Japan They scrutinize evidence of religious change decline and revival investigate challenges posed by new religious movements and locate religious change and conflict in the context of broader shifts in consciousness and culture Contributors include Richard Fenn Phillip E Hammond David Martin Philip Rieff Roland Robertson and Mark Schibley With its focus on the interplay of secularization rationalism and sectarianism this work offers a fitting tribute to Bryan Wilson who has made so many contributions to the sociological understanding of these phenomena Secularization in the Long 1960s Clive D. Field, 2017 Using empirical research this study provides a clear guide to the current state of the debate surrounding secularization in Britain during the long 1960s *Encountering Buddhism in Twentieth-Century British and American Literature* Lawrence Normand, Alison Winch, 2013-10-24 Encountering Buddhism in Twentieth Century British and American Literature explores the ways in which 20th century literature has been influenced by Buddhism and has been in turn a major factor in bringing about Buddhism s increasing spread and influence in the West Focussing on Britain and the United States Buddhism s influence on a range of key literary texts will be examined in the context of those societies evolving modernity Writers discussed include T S Eliot Hermann Hesse Virginia Woolf Jack Kerouac Allen Ginsberg J D Salinger Iris Murdoch Maxine Hong Kingston This book brings together for the first time a series of context rich interpretations that demonstrate the importance of literature in this ongoing cultural change in Britain and the United States **Empowering the People** Richard A. Horsley, 2022-03-25 In this innovative study Horsley builds on his earlier works concerning the problematic and misleading categories of magic and miracle to examine in depth the meaning and importance of the narratives of healing and exorcism in the Gospels Incorporating his work on oral performance and turning to important works in medical anthropology a new image emerges of how these narratives help us re evaluate Jesus s place in first century Galilee and Judea In his exorcisms and healings Jesus in interaction was empowering the villagers in their struggles for renewal of personal and communal dignity in resistance to invasive Roman rule *Jesus and Magic* Richard A Horsley, 2015-04-30 It has become standard in modern interpretation to say that Jesus performed miracles and even mainline scholarly interpreters classify Jesus s healings and exorcisms as miracles Some highly regarded scholars have argued more provocatively that the healings and exorcisms were magic and that Jesus was a magician As Richard Horsley points out if we make a critical comparison between modern interpretation of Jesus s healing and exorcism on the one hand and the Gospel stories and other ancient texts on the other hand it becomes clear that the miracle and magic are modern concepts products

of Enlightenment thinking Jesus and Magic asserts that Gospel stories do not have the concepts of miracle and magic What scholars constructed as magic turns out to have been ritual practices such as songs incantations medicines potions and appeals to higher powers for protection Horsley offers a critical reading of the healing and exorcism episodes in the Gospel stories This reading reveals a dynamic relationship between Jesus the healer the trust of those coming for healing and their support networks in local communities Horsley s reading of the Gospel stories gives little or no indication of divine intervention Rather the healing and exorcism stories portray healings and exorcisms

**The Subversive Evangelical** Peter J. Schuurman, 2019-06-30 Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In *The Subversive Evangelical* Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith
