

SECURITY DILEMMAS IN RUSSIA AND EURASIA

EDITED BY ROY ALLISON AND CHRISTOPH BLUTH

Security Dilemmas In Rubia And Eurasia

Sebastian Brünink

Security Dilemmas In Rubia And Eurasia:

Tug of War Mikhail Troitskiy, Fen Olser Hampson, 2017-12-15 Conflicts in Eurasia have been receiving significant attention in the last few years from political scientists and international relations scholars. The geographic area of Eurasia lies at the intersection of global and regional conflicts and coordination games. On the one hand, regional controversies in Eurasia often affect relations among the great powers on a global scale; for instance, Russia believes it is engaged in a clash with the United States and its allies in post-Soviet Eurasia and that by obstructing EU and US policies in its neighbourhood, Moscow not only protects its security interests but also precipitates the demise of the US-centric world order. On the other hand, global rivalries can either exacerbate tensions or facilitate negotiated solutions across Eurasia, mostly as a result of competitive behaviour among major powers in conflict mediation. Few scholars have focused on the negotiation process or brought together the whole variety of seemingly disparate yet comparable cases. This volume, edited by two global security experts, one from Canada and one from Russia, examines negotiations that continue after the hot phase of a conflict has ended and the focus becomes the search for lasting security solutions. *Tug of War* brings together conflict and security experts from Russia, Eurasia, and the West to tackle the overarching question: how useful has the process of negotiation been in resolving or mitigating different conflicts and coordination problems in Eurasia compared to attempts at exploiting or achieving a decisive advantage over one's opponents. *Limiting Institutions?* James Sperling, Sean Kay, S. Victor Papacostas, 2003 *Limiting Institutions* examines the security threats in Eurasia and the role of institutions in the post-Cold War international environment. It looks at both the crucial aspect of foreign policy as well as a theoretical area of security studies and its impact.

Traditional and Non-Traditional Security in Eurasia Niklas Swanström, 2011-04-28 Since the end of the Cold War, non-traditional and often transnational threats to security have risen to prominence, primarily in developing and post-communist areas. Among these, the trade in illicit drugs arguably carries the largest societal, political, and economic consequences. This book provides an improved understanding of the security threats posed on the regional security of Eurasia, their interlinkages, and what this implies for external actors. *EURASIA IN THE 21ST CENTURY, THE TOTAL SECURITY ENVIRONMENT.* , Eurasia in the 21st Century ,

Unveiling the Magic of Words: A Overview of "**Security Dilemmas In Rubia And Eurasia**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
