Manual For Group Premarital Counseling:

Manual for Group Premarital Counseling Lyle B. Gangsei, 1971 The Premarital Counseling Handbook H. Norman Wright, 1992-04-09 In any endeavor dreams and goals not backed by concrete plans and preparations can result in failure And marriage is no exception claims H Norman Wright In fact without solid planning and forethought by engaged couples we will surely see a continuation of the startling divorce rate among Christians and non Christians alike On the other hand thorough premarital counseling and preparation can result in lifelong marriages that are fulfilling and God honoring That's where the church comes in More and more churches are realizing that their responsibility lies not only in pronouncing men and women husband and wife but also in making sure the proper foundation is laid so that marriages have a better chance of standing strong under pressure Since its introduction in 1977 as Premarital Counseling this book has been used by literally thousands of churches throughout the country as both a guide and reference tool Now Dr Wright has added new material to cover some perplexing issues that have come into prominence only recently Among those special concerns are Interracial marriages Second marriages Marriages of persons from dysfunctional families Writing for both pastors and other premarital counselors H Norman Wright sets you at ease about the counseling process even if you've had only limited counseling experience As the author of the popular Before You Say I Do and numerous other books on marriage H Norman Wright documents in The Premarital Counseling Handbook methods that have proved successful These will help insure that the marriages performed in your church will resist the pressures that are destroying today's married couples Premarital Counseling Robert F.
