Volume I. Narrative and Rosters of Minnesota State Regiments, Companies and Batteries* ,1998-10-01 *The Tenth Minnesota Volunteers, 1862-1865* Michael A. Eggleston,2014-01-10 The Civil War experience of the 10th Minnesota Volunteer Regiment resembles that of few other regiments On the day the 10th Minnesota first mustered at Fort Snelling in August 1862 the Sioux Indian War broke out in western Minnesota Soldiers who signed up to fight the Confederacy instead

found themselves marching to defend the frontier and spending a year fighting two campaigns against the Sioux When the 10th finally deployed south to fight the Confederate Army it engaged in a series of skirmishes in the West including battles at Tupelo and Nashville and suffered many casualties This chronicle merges the individual experiences of Union soldiers Native Americans and Confederates to offer a compelling panoramic portrait of the 10th Minnesota during the Sioux Uprising and the Civil War revealing the unwavering resolve of this remarkable regiment *The Last Full Measure* Richard Moe,2001 Since its publication Richard Moe s *The Last Full Measure* has garnered a reputation as the definitive history of the First Minnesota Regiment and one of a handful of classic regimental histories of the Civil War The First Minnesota Volunteers the first regiment offered to President Lincoln after the fall of Fort Sumter served in virtually every major battle fought in the eastern theater during the first three years of the Civil War This is the story of the Army of the Potomac during that period the initial enthusiasm dashed by sudden defeat at Bull Run the pride at being shaped into an army by George McClellan and the frustration with his and his successors inability to defeat Robert E Lee and finally the costly battle of Gettysburg the decisive battle in which the First Minnesota played a crucial and tragic role Drawing on a wide array of letters diaries and personal reminiscences Moe tells the story anew through the experiences of the men who lived it As James MacGregor Burns notes in his foreword Like Tolstoy s *War and Peace* this work sticks close to the men in battle and hence like Tolstoy the author keeps close to the human size of war Praise for *The Last Full Measure* Richard Moe in this wonderfully told regimental history manages to rescue that which Civil War studies so often neglects the people Ken Burns co producer of *The Civil War* Exceptional a vigorous haunting celebration of the Men *The New York Times Book Review* Regimental history at its best Publishers Weekly Highly recommended Thoroughly researched and excellently incorporating the soldier s eye view of the war The best volume of Civil War historiography to appear in some time Booklist A tribute to the men who helped save the Union If ever a regiment deserved to be remembered it is the First Minnesota Richard Moe has a passion for history He clearly also has a talent for writing it Minneapolis Star Tribune No More Gallant a Deed James A. Wright,2001 It went on to take part in every significant battle in the war in the East from 1861 to 1864 In remarkable detail Wright describes the fighting at Bull Run the Peninsula Campaign Antietam Fredericksburg Gettysburg the New York draft riots and Bristoe Station The most grueling battle for the First was Gettysburg Detached from the main body of its regiment Company F missed the bloody fighting on July 2 when the First lost 82 percent of its men in a suicidal attack But the next day Company F and the remnant of the First helped stop Pickett s Charge The First s sacrifice inspired Gen *Minnesota in the Civil and Indian Wars, 1861-1865* Minnesota.
