Minobe Tatsukichi Interpreter Of Constitutionalism In Japan Center For:

Minobe Tatsukichi Frank O. Miller, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1965 **Interpreter of Constitutionalism in Japan**, **Korea in World Politics 1940-1950** Soon Sung Cho, 1967 **Japan and Korea** Frank Joseph Shulman, 2013-10-23 First Published in 1971 This annotated bibliography of doctoral dissertations on Japan and Korea grew out of a decision to expand and bring up to date an earlier list entitled Unpublished Doctoral Dissertations Relating to Japan Accepted in the Universities of Australia Canada Great Britain and the United States 1946 1963 compiled by Peter Cornwall and issued by the Center for Japanese Studies in 1965 **Japanese Poetic Diaries**, *Postwar Economic Growth in Japan* Ryutaro Komiya, 1966 **Making We the People** Chaihark Hahm, Sung Ho Kim, 2015-12-10 What does it mean to say that it is We the People who ordain and establish a constitution Who are those sovereign people and how can they do so Interweaving history and theory constitutional scholar Chaihark Hahm and political theorist Sung Ho Kim attempt to answer these perennial questions by revisiting the constitutional politics of postwar Japan and Korea Together these experiences demonstrate the infeasibility of the conventional assumption that there is a clearly bounded sovereign people prior to constitution making that stands apart from both outside influence and troubled historical legacies The authors argue that We the People only emerges through a deeply transformative politics of constitutional founding and as such a democratic constitution and its putative author are mutually constitutive Highly original and genuinely multidisciplinary this book will be of interest to democratic theorists and scholars of comparative constitutionalism as well as observers of ongoing constitutional debates in Japan and Korea *University Bulletin* University of California, Berkeley, 1964 **Okubo Toshimichi** Masakazu Iwata, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1964 **Planning for Empire** Janis A. Mimura, 2011-05-02 Japan's invasion of Manchuria in September of 1931 initiated a new phase of brutal occupation and warfare in Asia and the Pacific It forwarded the project of remaking the Japanese state along technocratic and fascistic lines and creating a self sufficient Asian bloc centered on Japan and its puppet state of Manchukuo In *Planning for Empire* Janis Mimura traces the origins and evolution of this new order and the ideas and policies of its chief architects the reform bureaucrats The reform bureaucrats pursued a radical authoritarian vision of modern Japan in which public and private spheres were fused ownership and control of capital were separated and society was ruled by technocrats Mimura shifts our

attention away from reactionary young officers to state planners reform bureaucrats total war officers new zaibatsu leaders economists political scientists engineers and labor party leaders She shows how empire building and war mobilization raised the stature and influence of these middle class professionals by calling forth new government planning agencies research bureaus and think tanks to draft Five Year industrial plans rationalize industry mobilize the masses streamline the bureaucracy and manage big business Deftly examining the political battles and compromises of Japanese technocrats in their bid for political power and Asian hegemony Planning for Empire offers a new perspective on Japanese fascism by revealing its modern roots in the close interaction of technology and right wing ideology Japan at War Louis G.

Perez,2013-01-08 This compelling reference focuses on the events individuals organizations and ideas that shaped Japanese warfare from early times to the present day Japan s military prowess is legendary From the early samurai code of morals to the 20th century battles in the Pacific theater this island nation has a long history of duty honor and valor in warfare This fascinating reference explores the relationship between military values and Japanese society and traces the evolution of war in this country from 700 CE to modern times In Japan at War An Encyclopedia author Louis G Perez examines the people and ideas that led Japan into or out of war analyzes the outcomes of battles and presents theoretical alternatives to the strategic choices made during the conflicts The book contains contributions from scholars in a wide range of disciplines including history political science anthropology sociology language literature poetry and psychology and the content features internal rebellions and revolutions as well as wars with other countries and kingdoms Entries are listed alphabetically and extensively cross referenced to help readers quickly locate topics of interest *Revolution and Subjectivity in Postwar Japan* J. Victor

Koschmann,1996-12 After World War II Japanese intellectuals believed that world history was moving inexorably toward bourgeois democracy and then socialism But who would be the agents the active subjects of that revolution in Japan Intensely debated at the time this question of active subjectivity influenced popular ideas about nationalism and social change that still affect Japanese political culture today In a major contribution to modern Japanese intellectual history J Victor Koschmann analyzes the debate over subjectivity He traces the arguments of intellectuals from various disciplines and political viewpoints and finds that despite their stress on individual autonomy they all came to define subjectivity in terms of deterministic historical structures thus ultimately deferring the possibility of radical change in Japan Establishing a basis for historical dialogue about democratic revolution this book will interest anyone concerned with issues of nationalism

postcolonialism and the formation of identities Modern Japan Mikiso Hane,2018-03-09 Integrating political events with cultural economic and intellectual movements Modern Japan provides a balanced and authoritative survey of modern Japanese history A summary of Japan s early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fifth edition of Modern Japan is updated throughout to include the latest information on Japan s international relations including

secret diplomatic correspondence recently disclosed on WikiLeaks This edition brings Japanese history up to date in the post 9 11 era detailing current issues such as the impact of the Gulf Wars on Japanese international relations the March 2011 earthquake tsunami and subsequent nuclear accident the recent tumultuous change of political leadership and Japan s current economic and global status An updated chronological chart list of prime ministers and bibliography are also included

Japan's Holy War Walter Skya,2009-04-03 Japan s Holy War reveals how a radical religious ideology drove the Japanese to imperial expansion and global war Bringing to light a wealth of new information Walter A Skya demonstrates that whatever other motives the Japanese had for waging war in Asia and the Pacific for many the war was the fulfillment of a religious mandate In the early twentieth century a fervent nationalism developed within State Shint This ultranationalism gained widespread military and public support and led to rampant terrorism between 1921 and 1936 three serving and two former prime ministers were assassinated Shint ultranationalist societies fomented a discourse calling for the abolition of parliamentary government and unlimited Japanese expansion Skya documents a transformation in the ideology of State Shint in the late nineteenth century and the early twentieth He shows that within the religion support for the German inspired theory of constitutional monarchy that had underpinned the Meiji Constitution gave way to a theory of absolute monarchy advocated by the constitutional scholar Hozumi Yatsuka in the late 1890s That in turn was superseded by a totalitarian ideology centered on the emperor an ideology advanced by the political theorists Uesugi Shinkichi and Kakehi Katsuhiko in the 1910s and 1920s Examining the connections between various forms of Shint nationalism and the state Skya demonstrates that where the Meiji oligarchs had constructed a quasi religious quasi secular state Hozumi Yatsuka desired a traditional theocratic state Uesugi Shinkichi and Kakehi Katsuhiko went further encouraging radical militant forms of extreme religious nationalism Skya suggests that the creeping democracy and secularization of Japan s political order in the early twentieth century were the principal causes of the terrorism of the 1930s which ultimately led to a holy war against Western civilization

The Japanese Empire Disaster Jean Sénat Fleury,2021-01-22 The book demonstrates that even if during the first period of the Shwa era 1931 1945 the real driving force to war was the Japanese military Hirohito as supreme commander gave full support to the army On multiple occasions as an emperor he sanctioned many government policies Accordingly he was responsible for the war and for the atrocities that the Japanese troops committed in Asia during the Pacific War Japan s Empire Disaster is a book of information and training a reference document that should be read as an educational tool on the history of the modernization of Japan and the war launched by Emperor Meiji and Hirohito to build Japan Empire in the Pacific and East Asia The book shares the view of the author on Hirohito s responsibility on the events that marked Japan s entry into the war that began when Japanese troops invaded Manchuria on September 19 1931 and culminated with Japan s surprise attack on the U S naval base at Pearl Harbor on December 7 1941 An Imperial Path to Modernity Jung-Sun N. Han,2020-03-17 An Imperial Path to Modernity examines the role of liberal intellectuals in reshaping

transnational ideas and internationalist aspirations into national values and imperial ambitions in early twentieth century Japan Perceiving the relationship between liberalism and the international world order a cohort of Japanese thinkers conformed to liberal ideas and institutions to direct Japan's transformation into a liberal empire in Asia To sustain and rationalize the imperial enterprise these Japanese liberals sought to make the domestic political stage less hostile to liberalism Facilitating the creation of print mediated public opinion liberal intellectuals attempted to enlist the new middle class as a social ally in circulating liberal ideas and practices within Japan and throughout the empire In tracing the interconnections between liberalism and the imperial project Jung Sun N Han focuses on the ideas and activities of Yoshino Sakuzo 1878 1933 who was and is remembered as a champion of prewar Japanese liberalism and Taisho democracy Drawing insights from intellectual history cultural studies and international relations this study argues that prewar Japanese liberalism grew out of the efforts of intellectuals such as Yoshino who worked to devise a transnational institution to govern the Japanese empire

Concise Dictionary of Modern Japanese History Janet Hunter, 1984 This is a concise reliable guide to the people places events and ideas of significance from the Meiji Restoration to the present

Japan's Occupation of Java in the Second World War Ethan Mark, 2018-07-12 Shortlisted for the ICAS International Convention of Asia Scholars Book Prize in the Humanities 2019 Japan's Occupation of Java in the Second World War draws upon written and oral Japanese Indonesian Dutch and English language sources to narrate the Japanese occupation of Java as a transnational intersection between two complex Asian societies placing this narrative in a larger wartime context of domestic regional and global crisis Japan's occupation of Java is here revealed in a radically new and nuanced light as an ambiguous encounter revolutionary in the degree of mutual interests that drew the two sides together fascinating and tragic in its evolution and profound in the legacies left behind Mark structures his study around a diverse group of Japanese and Indonesians captivated by the wartime vision of a Greater Asia The book is not only the first transnational study of Japan's wartime occupation of Java but the first to focus on the Second World War experience in transnational terms on the ground anywhere in Asia Breaking new ground interpretatively thematically and narratively Mark's monumental study is of vital significance for students and scholars of modern Asian and global history This book is published in partnership with Columbia University's Weatherhead East Asian Institute <http://weai.columbia.edu/japans-occupation-of-java>

Janus-Faced Justice Richard H. Mitchell, 1992-01-01 In his study of the treatment of political criminal suspects and prisoners from 1868 to 1945 Richard H Mitchell makes a major contribution to our knowledge and understanding of Japan's criminal justice system at a most critical juncture in that country's history Through careful research and sensitive evaluation of the source materials Mitchell identifies two contrasting themes a high degree of state repression and a concern for human rights and shows how a system that clearly involved considerable brutality torture and illegal detention also exhibited elements of humanity and fairness He argues that this contradiction is best understood by viewing prewar Japan as a paternalistic police

state in which brutality was the other side of benevolence The scope of inquiry of this study encompasses a broad range of issues It assays laws for control of political dissent as well as the origins of the movement for human rights of criminal suspects and convicts giving special attention to the behavior of defense lawyers It sorts out the actors and their roles in upholding or violating individual rights and does a superb job of conveying the subtle difficulties faced by judges as well as the markedly un American legal context of political trials It describes and makes critical distinctions between conditions in prisons and facilities for special detention and surveillance and it challenges a number of common assumptions including long cherished views about the differences between the 1920s and 1930s Numerous cases of alleged police brutality are evaluated and police actions analyzed Tenko conversion a novel method of dealing with political criminal suspects and convicts is explored together with the little known Criminal Compensation Law Throughout the yardstick by which treatment of accused and convicted criminals is judged is the state s own laws and regulations In addition to evaluation by these internal standards Mitchell devotes his final chapter to a very useful comparison with the situation in Europe during the same period There is no other work in English on precisely this subject and no other related work of this scope Although Mitchell s focus is on political offenders there is enough material on the overall system to make this volume easily the best available resource on prewar Japanese criminal justice *The People's Emperor* Kenneth James Ruoff, 2001 Few institutions are as well suited as the monarchy to provide a window on postwar Japan The monarchy which is also a family has been significant both as a political and as a cultural institution Ruoff analyzes numerous issues stressing the monarchy s postwariness rather than its traditionality
