Klobuchar,2023-05-09 An intimate and revelatory memoir on personal challenges political turmoil and the state of American democracy from one of the most effective voices in politics Amy Klobuchar During the past few years as our country has faced unprecedented challenges Senator Klobuchar has been in the room where it happens on the Senate floor for critical votes during the pandemic at the debate podium during one of the most critical presidential elections in US history and in the Capitol on January 6 2021 when insurrectionists stormed the building interrupting the certification of the electoral college It was well past midnight when Klobuchar stood beside then Vice President Pence to officially certify President Biden s victory In her candid honest and at times bitingly funny memoir the pragmatic senator shares insider stories from these historic moments while also inviting readers into her personal life An underdog in the 2020 Democratic presidential primary campaign she built surprising early momentum only to suspend her candidacy in order to support Joe Biden Within weeks of returning to work in the Senate the sudden onslaught of COVID 19 hit her family directly Her husband got very sick and spent a week in the hospital on oxygen and a month in isolation Klobuchar shares her experience facing a cancer diagnosis while watching her beloved father succumb to Alzheimer s She recounts the dramatic narrative of January 6 and how close we came to losing our democracy And with her signature humor she reveals what it s like to work with some of her more well interesting colleagues At the crux of these stories is a narrative of resilience of personal resilience and the resilience of a nation and improbably joy [Antitrust](#) Amy Klobuchar,2022-01-18 NATIONAL BESTSELLER

President Theodore Roosevelt who during the Progressive Era 1890s 1920 busted the trusts breaking up monopolies the Clayton Act of 1914 the Federal Trade Commission Act of 1914 and the Celler Kefauver Act of 1950 which it strengthened the Clayton Act She explores today s Big Pharma and its price gouging and tech television content and agriculture communities and how a marketplace with few players or one in which one company dominates distribution can hurt consumer prices and stifle innovation As the ranking member of the Senate Judiciary Subcommittee on Antitrust Competition Policy and Consumer Rights Klobuchar provides a fascinating exploration of antitrust in America and offers a way forward to protect all Americans from the dangers of curtailed competition and from vast information gathering through monopolies
