Miracles Rod L van Dertuin, 2006-07. About the Book: Amusing, entertaining, thought provoking, and often touching stories of one family's rather unusual life that pushes the belief that there really are miracles that form our lives and that things do happen for a reason. Miracles and how they form our lives. That is what is questioned and what is ultimately presented to you to answer for yourself. The evidence for this argument is the foundation for this family of 15. From the roots of being childhood sweethearts to a family tree that includes three biological and ten adopted children, all of various ethnic backgrounds, you follow the unmistakable trails of what can only be described as miracles. Life is not always easy as struggles and disappointments are often faced, but they are done so with a gathered knowledge that miracles happen everyday and are more often than not done so without fanfare or announcement. The author really tells many stories within a story, making you wonder if we are really alone. The book is written in a comfortable, bluejeans point of view and can be read from many different perspectives. All the stories are ultimately threaded together with the belief that everything happens for a reason.

The Long-awaited Stork Ellen Sarasohn Glazer, 1990. **His Best Friend's Little Sister** Vivian Wood, 2020-09-08. Snowed in with his best friend's sister was never part of the plan. When a snowstorm stranded ex

Navy SEAL Henry in a remote cabin the last person he expected to show up was Ellie his best friend's little sister. She was much younger, sweet as pie and completely off limits. But cozy nights by the fire turned into stolen glances. Before he knew it she was in his arms. One kiss changed everything. The chemistry between them was undeniable. The torch they both secretly held for each other burned brightly. But there were real risks too. Namely if Ellie's brother found out that Henry had touched his precious baby sister he would have a meltdown. As the snow melted Henry would have to decide between risking his oldest friendship for a chance with Ellie or walking away from the one woman he could never forget. Tropes: Best friend's little sister, snowed in, spicy, just one bed, pining, family saga. **Doing Nothing Is No Longer an Option** Jenny Booth Potter, 2022-10-25 Jenny Booth Potter knew as a young adult that racism could no longer be tolerated.
