A Tapestry of Tales Linda Amitrani-Naldrett,2025-01-22 Life is an extraordinary journey a tapestry woven with countless events memories experiences and emotions that shape our identity and define who we are Some of these moments are woven and connected by words given by the heart to be revealed in such a way as to share with others a visual picture of a journey trod on the path of our destiny Words are the wool on which the thread is spun the loom on which the story is told A Tapestry of Tales is a compilation of poems and short stories whose subject matter spans many years before our time to the present and beyond They are love stories about people and places relationships with God and His spirit aha moments and secrets never before revealed As in all love stories one expects to see the ups and downs the bumps and bruises and the shattered dreams that some may heal from and others may just move on Some are funny some will make you say to yourself Boy have I been there Done that You will cry you will laugh and many words will make you think back on your own life s experiences with fond memories These are stories of lessons learned through the grace of God poems spoken to and about loved ones and words that portray every emotion and feeling expressed by the human condition A woolen tapestry begins with colorful threads a loom to weave and willing hands to follow the design of the image first created in the mind Our lives are truly a tapestry a weaving of shapes sizes colors gifts and talents that proclaim the beauty of God s creation and His people God weaves His own tapestry according to a specific purpose to tell the story of His love and glory across time Each story and poem in A Tapestry of Tales reflects the love of God either directly or indirectly in the words used to tell the story The captured words on these pages are set free to soar across landscapes of the mind and emotion evoking images imagined or true

Jesus: Miriam's Child, Sophia's Prophet Elisabeth Schüssler Fiorenza,2015-11-19 In Jesus Miriam s Child Sophia s Prophet Elisabeth Sch ssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology On the other she examines the feasibility of a feminine christology by considering such problems as Christian anti Judaism ideological

justification of domination religious exclusivism and the formation of patriarchal identity Re imagining the Jesus movement in a feminist key transcends the boundaries set by history gender and doctrine By assessing various Jesus traditions and interpretations in terms of whether they can engender liberating visions for today Sch ssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well being for all the central image in which is the reign the coming world of God This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994 **The Horn Book Guide to Children's and Young Adult Books** ,1990 **Meditations for Celebrations** Miriam

'Shh! 'Don't Tell'; a True Story of Survival Miriam Moriarty Owens,2011-06-13 My story is one of survival and a true depiction of how from the age of 18 months was physically emotionally and mentally abused From early childhood right up until my early 40s my siblings the courts in Tralee County Kerry Ireland sentenced my sisters Joan and Grace and myself to spend 14 years in Pembroke Alms Industrial School where we were placed in the care of the Sisters of Mercy Little did the courts know that they were sentencing us to 14 years of sheer and utter hell The abuse in Pembroke Alms began when a nun named Sister Enda arrived and became the principal Lacking any sort of sympathy towards children she meted out severe and cruel punishments to children of all ages During our incarceration in Pembroke Alms the only mother figure I had was my sister Joan and it was from there that our close bond grew and we became very attached to each other In 1959 my mother

suffered from TB and I was left in the care of my father and grandmother Due to the ISPCC deeming my father an unfit parent to look after me and my siblings he gave us away From an interview with the author **Molly McGolly and Mother Nature: An Earth Day Story** Virginia Marie Capps,2016-12-15 Molly McGolly is a little ten year old Irish Catholic girl who attends public school She decides this is the year to teach her classmates to become green like her family Recycle reduce reuse and along the way repent Molly discovers trying to change people is a much bigger task than she ever imagined Catholics are reminded of the truths of the Catholic faith scripture passages sacraments prayers Ten Commandments divine mercy Eucharistic adoration etc throughout the book as the humorous story of the McGolly family unfolds So laugh cry get angry or whatever it takes to get your attention and wake up God does not change **Lydia's Journey** Katherine Covell,2023-06-06 Ten year old Lydia s life is upended in 1915 when soldiers storm her village at the start of the Armenian Genocide Separated from her parents and younger brother Lydia is marched from her home in Zeitun through the desert and into Syria She s sold into slavery and endures years of captivity When her orphanage arranges her marriage she emigrates to England only to find herself in London during the World War II bombing Inspired by family history and supported by extensive research Lydia story is a harrowing but ultimately reassuring story of resilience faith and survival *Catholic World* ,1925 **The Christian Advocate** ,1929 **Instructor** ,1961
