Queer/Adaptation Pamela Demory, 2019-02-15 This collection of essays illuminates the intersection of queer and adaptation Both adaptation and queerness suffer from the stereotype of being secondary to identify something as an adaptation is to recognize it in relation to something else that seems more original more authentic Similarly to identify something as queer is to place it in relation to what is assumed to be normal or straight This ground breaking volume brings together fifteen original essays that critically challenge these assumptions about originality authenticity and value The volume is organized in three parts The essays in Part I examine what happens when an adaptation queers its source text and explore the role of the author screenwriter director in making those choices The essays in Part II look at what happens when filmmakers push against boundaries of various kinds time and

space texts and bodies genres and formats And the essays in Part III explore adaptations whose source texts cannot be easily pinned down where there are multiple adaptations and where the adaptation process itself is queer The book includes discussion of a wide variety of texts including opera classic film genre fiction documentary musicals literary fiction low budget horror camp classics and experimental texts providing a comprehensive and interdisciplinary introduction to the myriad ways in which queer and adaptation overlap *True Crime Parallels to the Mysteries of Agatha Christie* Anne Powers, 2020-02-28 Outsold only by the Bible and Shakespeare the works of Agatha Christie stand as some of the most celebrated crime fiction of our era This book takes ten of her most famous works and shows their relationship to ten of crime history's most famous and sensational cases cases whose notoriety still resounds to this day Addressing both novels and short stories the author illuminates the relationship between Christie's *Murder on the Orient Express* and the sensational Lindbergh Kidnapping Case of 1932 the connections between Christie's *Mrs McGinty's Dead* and the horrific true case of England's most loathed wife killer the American Dr Hawley Harvey Crippen and eight more engrossing pairings of Christie's ingenious mystery puzzles with vintage true crime's most sensational events
