Kimberley Lewis Childs,1990-12-31 Who were the underdogs who took on British Imperial forces and beat them How could an old farmer who had beaten them before Piet Cronje and a middle aged farmer who did not want to fight them anyway De La Rey embarrass Queen Victoria s high officers like Lord Methuen When did the most powerful man in Africa enable the capable commandant to hold out while blighting his career Why did the Queen s crack regiments turn their backs on the enemy What lessons in application patience and loyalty to oath given does Tommy Atkins give to us in the 21st century Who were the modern figures that still live through their letters and diaries in Regimental Archives in spite of being dead How could the Boers justify shelling civilians or the British of all people not know that women and kids were dying in concentration camps When did the accepted European Rules of War get turned over for ever Why when Bobs is nothing but a statue and Rhodes the ghost of a chancer does it matter The Siege of Kimberley answers all these questions and more in a readable and authoritative way

Brigadiers but also saw the end of the Commander in Chief Sir Ian Hamilton It was the beginning of the end of the Gallipoli gamble and in its own right created a catalyst of disaster that would come to represent the failed campaign This book adds to the Gallipoli story by recounting the Suvla Bay landing through a mix of official accounts intertwined with a rich collection of the participants letters diaries personal accounts photographs and maps Chock a block with excellent personal experience quotes some old favourites to be sure but many of them will be new to most readers They are skilfully woven into the account bringing the fighting alive and illustrating the manifold confusions of this truly awful battle The text is also wonderfully illustrated with photos and crystal clear maps A splendid book that I found invaluable during my recent visits to Gallipoli

The Norfolk Regiment on the Western Front: 1914-1918 Steve Smith,2021-12-02 Steve Smith tells the story of the five Battalions of the Norfolk Regiment who served on the Western Front using previously unseen photographs diaries accounts and letters He has also had full access to the Norfolk Regiment Museum archives It is the men who served in the Norfolks who will tell this story This book will interest readers nationally locally as it not only studies the Regiment s participation in well known battles such as Ypres and the Somme but also takes a fresh look at the lesser known battles fought battles such as Elouges in 1914 and Kaiserschlacht in 1918 Steve has considered the German perspective too looking at the men who faced them at places such as Falfemont Farm in 1916 Using new evidence from the Regiment s participation in the Christmas Truce he separates the truth from myth surrounding the stories of football played at this time a controversy that still rages Steve has walked the ground over which they fought and fresh maps complement this research so the book serves as a history book for those at home and a guidebook for those who wish to get out and explore down to trench level the ground covered in its pages

programme constructing new bunkers and reinforcing existing sites using forced labour Hitler appointed Rommel to formulate Germany's anti invasion plans in early 1944 At the same time the Allies were making extensive studies of the fortifications and preparing for the challenge of overcoming this most formidable of obstacles Using in many cases previously unpublished accounts of the soldiers on the ground this book follows Britain's 79th Armoured Division Sir Percy Hobart's Funnies as they utilised their unique weaponry in support of Allied efforts to ensure the success of the invasion The author draws on British American Canadian and German sources Hitler's Atlantic Wall Normandy also includes information on war cemeteries along with travel information and accommodation suggestions and a guide to the relevant museums

Sir Douglas Haig's Command George Albemarle Bertie Dewar, John Herbert Boraston, 1923 **and 2** George Albemarle Bertie Dewar, John Herbert Boraston, 1922 The Manchester Bantams Caroline Scott, 2015-02-28 In May 1916 Major Eustace Lockhart Maxwell a former Indian cavalry officer was given command of an infantry battalion in France After 48 hours with his new unit Maxwell wrote to his family The outstanding characteristic of those who belong to it seems to be their extraordinary self complacency Esprit de corps is a fine thing but the satisfaction with which they regard themselves their battalion its internal economy its gallantry its discipline its everything else is almost indecent If at the end of a month my opinion of them is half as good as their own I shall think myself uncommonly lucky This was the 23rd Manchester Bantam Battalion a unit entirely composed of men of a height between 5ft and 5ft 3 and its esprit de corps was about to be severely tested The Bantams left colorful characterful moving and often amusing records of their experiences Using a wealth of previously unpublished sources this book follows the Manchester men through their training their experiences of the Somme and the Third Ypres Campaign to Houthulst Forest where in October 1917 the Battalion was practically annihilated

Battle for the Escaut, 1940 Jerry Murland, 2016-11-30 On 10 May 1940 the British Expeditionary Force BEF under the command of Lord Gort moved forward from the Franco Belgian border and took up positions along a 20

mile sector off the River Dyle to await the arrival of the German Army Group B Their expected stay was considerably shorter than planned as the German Army Group A pushed its way through the Ardennes and crossed the Meuse at Sedan scattering the French before them Little did the men of the BEF realise that the orders to retire would result in their evacuation from Dunkirk and other channel ports The line of the River Escaut was seen as the last real opportunity for the Allied armies to halt the advancing German Army but the jigsaw of defence was tenuous and the allied hold on the river was undone by the weight of opposing German forces and the speed of the armoured Blitzkrieg thrust further south As far as the BEF were concerned the Battle for the Escaut took place on a 30 mile sector from Oudenaarde to Blharies and involved units in a sometimes desperate defence during which two Victoria Crosses were awarded This book takes the battlefield tourist from Oudenaarde to Hollain in a series of tours that retrace the footsteps of the BEF With the help of local historians the author has pinpointed crucial actions and answered some of the myriad questions associated with this important phase of the France and Flanders campaign of 1940
