New Testament
INTRODUCTION

FOURTH EDITION

New Testament Introduction

Donald Guthrie

New Testament Introduction:

Reading the New Testament Pheme Perkins, 2012 An introduction to the writings of the New Testament written by a prominent scholar who is able to communicate the main ideas and results with a clear and simple style This third edition although leaving intact the structure of the book has been rewritten extensively updating the information and adding the results of new biblical approaches and research Includes new maps and illustrations A Critical Introduction to the New Testament Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church's identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul's decisive influence within the history of the church and western culture **An Introduction to the New Testament** Raymond Edward Brown, 1997 While a wealth of information is contained in these pages the work's most impressive features are the basic summaries of each book a historical overview of the ancient Greco Roman world discussions of key theological issues and the rich supplementary materials such as illustrative tables maps bibliographies and appendixes The New Testament, an Introduction Norman Perrin, 1974 **The New Testament** Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the

origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies **Reading the New Testament** Pheme Perkins,1988 Discusses the history and nature of the New Testament provides outlines of each book and information on archaeological discoveries and shares an interpretation of the Scriptures **An Introduction to the New Testament** David A. deSilva,2004-04-08 David A deSilva sets a new standard for New Testament introductions emphasizing the social and rhetorical contexts of the texts and their authors highlighting a variety of interpretive approaches to the New Testament and considering implications of the New Testament for ministry formation **An Introduction to New Testament Christology** Raymond Edward Brown,1994 Examines christology s Or evaluations of Jesus identity and divinity based upon his words his public ministry and the Resurrection **An Introduction to the New Testament and the Origins of Christianity** Delbert Burkett,2019-01-03 This book offers an authoritative and accessible introduction to the New Testament and other early Christian literature for anyone interested in the Bible or the origins of Christianity Designed primarily for undergraduate courses it provides a balanced critical overview of the history literature and religious diversity of Early Christianity **New Testament Introduction** Donald Guthrie,1965 **A Walk Through the New Testament** Margaret Nutting Ralph,2009 A Walk Through the New Testament is a companion volume for adult Catholics as they read the New Testament helping them apply the Catholic approach to Scripture the contextualist approach to their reading in order to better understand what inspired biblical authors are teaching them about their relationship with God **The New Testament** Donald Alfred Hagner,2012 A widely respected senior evangelical scholar offers a substantial introduction to the New Testament that delivers balanced conclusions in conversation with classic and current scholarship **An Introduction to the New Testament** D. A. Carson,Douglas J. Moo,Leon Morris,1992 Fortress Introduction to the New Testament Gerd Theissen, All the main issues for reading the New Testament are covered in this exciting new introduction by one of the world s foremost biblical scholars **Called by the Gospel** Michael Paul Middendorf,Mark Schuler,2007-07-15 Called by the Gospel is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective In keeping with the predominant place of the gospel in Lutheran theology this introductory volume on the New Testament carries the same title as the series Called by the Gospel Readers will find within its pages a high view of the Christian Scriptures explanation of keys texts with careful attention to the historical and cultural contexts particular focus on the presentation of Jesus by the various texts and a conversational style that seeks to convey the message of the text for contemporary times Although the book was written with university students in mind any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights This book builds on material presented in the first volume of the series Called to be God s People and supplements its contents with maps photos suggested readings discussion questions and a glossary Together these two volumes prepare the university student for an in depth consideration

of Christian doctrine in *Called to Believe Teach and Confess* *A Concise Guide to Reading the New Testament* David R. Nienhuis, 2018-01-02 The New Testament came together and comes to us not as a randomly sorted set of individual books but as a definitely shaped and ordered whole This concise theological introduction to the New Testament sheds light on the interpretive significance of the canon's structure and sequence and articulates how the final shape of the canon is formative for Christian discipleship Providing an essential overview often missing from New Testament books and courses this book will serve as an accessible supplement to any New Testament or Bible introduction textbook

New Testament Story David L. Barr, 1987 The thesis of this book is that every New Testament writing stands within a story even if it does not tell stories The approach allows readers to view the documents as vital elements in the lives of real persons The book maintains its focus on bringing the writings alive and shows how critical study enhances understanding of their meanings Its prime goal is teaching students to read these writings for themselves bridging the chasms of language history and culture that separate them from us The latest methods of research are utilized in this quest but the focus always remains on the New Testament documents

Interpreting the New Testament Hans Conzelmann, Andreas Lindemann, 1999 This is not an ordinary Introduction but a manual for exegetical work written for the serious student of the New Testament Rather than suggesting some easily accessible generalities the book challenges the readers to apply themselves to the texts and it will guide such efforts step by step as it leads the readers through the methodological rigors of scholarship In scholarly method it represents the very best that has been developed primarily in the work of German biblical interpretation over the last hundred years But it is not theory of exegesis that is taught it is applied exegesis exegetical praxis Those who will follow the advice which this book gives will be richly rewarded as they become more conversant with the living voice of the gospel that is enshrined in the words phrases and sentences of Scripture Helmut Koester Harvard University The Divinity School This unique and comprehensive handbook will be a boon to any serious student of the New Testament The authors are expert guides to the current state of research as well as to the tasks and methods of exegesis Victor Paul Furnish Southern Methodist University

New Testament Introduction Donald Guthrie, 1963 *Engaging the New Testament* Miguel G. Echevarría, 2024-04-16 Many introductions to the New Testament focus on historical critical issues with only cursory discussions of the text In *Engaging the New Testament* Miguel Echevarría overviews the New Testament writings in their canonical order showing how each book has a purposeful function within the larger context of Scripture He provides streamlined and accessible background discussions related to the New Testament writings to enable students to focus on interpretive issues The book is informed by the latest scholarship yet accessible to those with no prior theological education This concise introduction to the New Testament is well suited to one semester survey courses It addresses the needs and questions of students in multicultural classrooms who are studying for ministry Sidebars encourage readers to think about applying the Bible to various ministry contexts such as the pastorate missions and counseling

This is likewise one of the factors by obtaining the soft documents of this **New Testament Introduction** by online. You might not require more grow old to spend to go to the ebook foundation as with ease as search for them. In some cases, you likewise accomplish not discover the publication New Testament Introduction that you are looking for. It will completely squander the time.

However below, following you visit this web page, it will be therefore unquestionably simple to get as with ease as download guide New Testament Introduction

It will not understand many get older as we explain before. You can accomplish it even though perform something else at house and even in your workplace. appropriately easy! So, are you question? Just exercise just what we offer below as without difficulty as evaluation **New Testament Introduction** what you gone to read!
