T. Wright, 2004-01-01 Enlarged print edition now available Writing in an approachable and anecdotal style Tom Wright helps us to see the pastoral nature of these letters Paul is anxious to see that those who profess the faith

should allow the gospel to transform the whole of their lives right down to the deepest part of their personality and is concerned that every teacher of the faith should know how to build up the community in mutual support rather than tearing it apart through the wrong sort of teaching and behavior Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions

The Pastoral Epistles George W. Knight, 2013-10-23 This is a thorough full scale English commentary on the Greek text of 1 and 2 Timothy and Titus While author George W Knight gives careful attention to the comments of previous interpreters of the text both ancient and modern his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context Knight's commentary includes an introduction that treats at length the question of authorship he argues for Pauline authorship and proposes on the basis of stylistic features that Luke might have been the amanuensis for the Pastoral Epistles the historical background of these letters and the personalities and circumstances of the recipients Knight also provides two special excurses the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders the other excursus examines the motivations for conduct in Titus 2:1-10 with a view to their applicability to present day situations **A**
