Sustainability and Human Resource Management Ina Ehnert,Wes Harry,Klaus J. Zink,2013-07-03 The role of HRM in developing sustainable business organizations is increasingly attracting attention Sustainability can be used as a principle for HRM itself and the tasks of Sustainable HRM are twofold On the one hand it fosters the conditions for individual employee sustainability and develops the ability of HRM systems to continuously attract regenerate and develop motivated and engaged employees by making the HRM system itself sustainable On the other hand Sustainable HRM contributes to the sustainability of the business organizations through cooperation with the top management key stakeholders and NGOs and by realising economic ecological social and human sustainability goals This book provides a comprehensive review of the new area of Sustainable HRM and of research from different disciplines like sustainable work systems ergonomics HRM linking sustainability and HRM It brings together the views of academics and practitioners and provides many ideas for conceptual development empirical exploration and practical implementation This publication intends to advance the international academic and practice based debates on the potential of sustainability for HRM and vice versa In 19 chapters 26 authors from five continents explore the role of HRM in developing economically socially and ecologically sustainable organizations the concept of Sustainable HRM and the role of HRM in developing Sustainable HRM systems and how sustainability and HRM are conceptualized and perceived in different areas of the world **Human Resource Development** Juani

Swart,Clare Mann,Steve Brown,Alan Price,2012-08-21 Each chapter in Human Resource Development provides the reader with commentary activities and review sections in an integrated approach The action oriented approach is vital for practicing managers but increasingly for postgraduate and final year undergraduates who have work experience It is this aspect of the book that fills a gap that currently exists in the market This text reflects organizational realities and balances and integrates the coverage of individuals teams and organizational learning The book is written in a straightforward manner and explains concepts and key issues in a lucid style The activities are focused and are better suited to encouraging readers to learn
