Professional Work Marriage:

Professional Work and Marriage Marilyn Rueschemeyer, 1986-06-18 **Dual-career Marriage** Lisa R.

Silberstein, 2014-01-14 Dual career marriage in which wife and husband each pursue a professional career offers a window into the changing landscape of gender roles and relations In the span of a single generation the family in which both parents work outside the home has gone from being the exception to being the rule This book examines the multi layered implications this impressive rapid change holds for the fabric of family and marital life and for the course of men s and women s work lives Intensive interviews with dual career wives and husbands provide rich information about four major issues In what ways and for whom do dual career marriages replicate the traditional gender arrangements of one career marriages and in what ways do dual career marriages represent a revolution in gender roles How do the two careers of spouses develop side by side and in what ways do dual career spouses help or hinder each other s careers How do work and family combine in dual career marriages How are relationships between spouses and between parents and children affected by dual careers This book presents a subtle textured portrait of contemporary dual career marriage examining the complicated interplay of expectations behaviors and emotions within and between dual career spouses The author observes that the centrality of family or work to each spouse s sense of self powerfully affects how the couple negotiates the challenges posed by dual career marriage including feelings of competition between spouses questions of geographic moves and division of domestic tasks The study illuminates many issues of clinical relevance such as the common hazard of dual career spouses having little time for marital intimacy once the rigorous demands of careers and children are met and the complicated intrapersonal as well as interpersonal tensions generated by gender roles in transition **Men in Dual-career**

Families Lucia Albino Gilbert, 2014-04-04 First published in 1985 The dual career family is emerging as the modal family form in the United States Yet despite its prevalence traditional orientations and social institutions have not adapted to this pattern This volume reports the results of a pioneering investigation of men in dual career families and considers interventions at the societal and individual level that will ease the difficulties associated with the transition to this new family form

practicing clinicians and students within clinical rather than simply create a second edition of training programs Therefore was made to create a significantly revised the original volume the decision and expanded volume that would cover many of the same topics as the original volume but would provide a primary emphasis on the treatment of excessive stress and that would employ an integrative phenomenological model to facilitate that end This present volume entitled A Clinical Guide to the Treatment of the Human Stress Response is the result Ebony ,1987-02 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **University Education for Women** Eleanor Mildred Sidgwick,1913 **Publication of the American Sociological Society** American Sociological Association,1909 List of members in v 1 5 25 28 supplemental list in v 26 27 **Papers and Proceedings** ,1909 **The American Journal of Sociology** Albion W.
