Professor And The Pregnant Nanny:

Professor & the Pregnant Nanny Emily Dalton, 2025-02-11 THE BOY WHO GOT AWAY WAS ALL MAN NOW Once Melissa Richardson had been the most popular girl in school and Charles Avery had been the shy brain with a hopeless crush Now Melissa was alone pregnant and in need of a job and her new employer was Charles Avery Melissa's shock at seeing Charles again was matched only by her mortification at the attraction he roused in her Her former admirer had grown into a handsome successful hunk and a widowed single dad with three adorable children in need of a nanny Hiding her feelings for her boss as well as the embarrassing truth about her situation seemed a wise professional move But could she resist Charles's charm and three disarming kids who didn't want a nanny but a mommy Mom the Chemistry Professor Kimberly

Woznack, Amber Charlebois, Renée Cole, Cecilia Marzabadi, Gail Webster, 2018-07-28 When is the right time How can I meet the demands of a professorship whilst caring for a young family Choosing to become a mother has a profound effect on the career path of women holding academic positions especially in the physical sciences Yet many women successfully manage to do both In this second edition which is a project of the Women Chemists Committee WCC of the American Chemical Society ACS 40 inspirational personal accounts describe the challenges and rewards of combining motherhood with an academic career in chemistry The authors are all women at different stages of their career and from a range of institution types in both tenure and non tenure track positions The authors include women from different racial and ethnic backgrounds who became mothers at different stages of their career and who have a variety of family structures Aimed at undergraduate and graduate students of chemistry as well as postdoctoral fellows and early career faculty these contributions serve as examples for women considering a career in academia but worry about how this can be balanced with other important aspects of life The authors describe how they overcame particular challenges but also highlight aspects of the system which could be improved to accommodate women academics and particularly encourage more women to take on academic positions in the sciences

Romanko,2019-10-25 Samantha Stephens in Bewitched Lieutenant Uhura on Star Trek Wonder Woman Xena Warrior Princess Buffy the Vampire Slayer and many more Television's women of science fiction and fantasy are iconic and unforgettable yet there hasn't been a reference book devoted to them until now Covering 400 female characters from 200 series since the 1950s this encyclopedic work celebrates the essential contributions of women to science fiction and fantasy TV with characters who run the gamut from superheroes extraterrestrials and time travelers to witches vampires and mere mortals who deal with the fantastic in their daily lives **Mama, PhD** Elrena Evans,Caroline Grant,2008 Every year American universities publish glowing reports stating their commitment to diversity often showing statistics of female hires as proof of success Yet although women make up increasing numbers of graduate students graduate degree recipients and even new hires academic life remains overwhelming a man's world The reality that the statistics fail to highlight is that the presence of women specifically those with children in the ranks of tenured faculty has not increased in a generation Further those women who do achieve tenure track placement tend to report slow advancement income disparity and lack of job satisfaction compared to their male colleagues Amid these disadvantages what is a Mama PhD to do This literary anthology brings together a selection of deeply felt personal narratives by smart interesting women who explore the continued inequality of the sexes in higher education and suggest changes that could

make universities more family friendly workplaces The contributors hail from a wide array of disciplines and bring with them a variety of perspectives including those of single and adoptive parents They address topics that range from the level of policy to practical day to day concerns including caring for a child with special needs breastfeeding on campus negotiating viable maternity and family leave policies job sharing and telecommuting options and fitting into desk chair combinations while eight months pregnant Candid provocative and sometimes with a wry sense of humor the thirty five essays in this anthology speak to and offer support for any woman attempting to combine work and family as well as anyone who is interested in improving the university s ability to live up to its reputation to be among the most progressive of American institutions

Title IX and the Protection of Pregnant and Parenting College Students Catherine L. Riley,Alexis Hutchinson,Carley Dix,2022-05-17 This book explores the discrepancies among what protections Title IX provides to pregnant and parenting students what colleges communicate and what pregnant and parenting students actually experience To actually protect pregnant and parenting students the authors argue that a school must provide multifaceted support that is effectively communicated to an entire campus community including students who are parenting who are pregnant and who may become pregnant The first part of the book portrays the realities of pregnancy and parenting in college The chapters illuminate related Title IX applications population demographics how unplanned pregnancies in college occur and physical and mental health challenges that these students often experience The authors then discuss what compliance with Title IX legally entails and why meeting it is often an afterthought In the second half of the book the authors use mixed methods research to map the compliance landscapes of three schools in the southeast as examples a large state school a mid size private university and a small private college Offering eye opening interviews with pregnant and parenting students interdisciplinary research and proposals for multifaceted support and communication on college campuses this volume will engage students scholars and activists with an interest in higher education administration educational policy reproductive health bioethics gender studies and rhetoric
