Divination Through the Ages Ellen Wallace Douglas,2012-09-04 Ancients traveled far and paid handsomely to hear the sibyls and oracles channel wisdom from the gods The Holy Bible writes of many prophets and seers but divination by ordinary people was strongly prohibited As a result mediums and psychics have since been laughed at ostracized and even burned at the stake But always there have been some people who persisted in believing in spirit communication secretly We must take a sober and realistic view of divination in the times ahead but openly and publicly This book will help you to understand divination for its true value Listening to the spirit world is our only hope for a world of peace *Million Dollar*
