Regional Integration And Democracy Expanding On The European Experience

J. DeBardeleben, A. Hurrelmann

Regional Integration And Democracy Expanding On The European Experience:

Regional Integration and Democracy Jeffrey J. Anderson, 1999 This work explores the interrelationship between democracy and regional integration Although centred in Europe the volume shifts terms of discussion on integration and democracy by including case studies outside of Europe It also analyzes the European Union's democratic deficit the impact of regional integration on national democracy and the dynamic interactions between democracy and integration elsewhere in the world

European Governance and Democracy Richard Balme, Didier Chabanet, 2008-05-13 Considering the future of European integration this clear and compelling study explores the interplay between collective action and democracy in the European Union and its member states Richard Balme and Didier Chabanet analyze the influence of supranational governance on democratization through a wealth of case studies on a broad range of civil society interests including regional policy unemployment and poverty women's rights migration policy and environmental protection The authors trace the evolving relationship between citizens and European institutions over the past decades especially as public support for deepening and widening integration has waned This trend culminated in a deep institutional crisis precipitated by the rejection of the draft constitutional treaty in France and the Netherlands in 2005 At least two truisms were proven wrong during this tumultuous period that European citizens have little interest in European integration and that citizens have little influence on EU politics However this power shift has left citizens with a deep distrust of integration and EU institutions with limited capacities to cope with issues the public considers priorities primarily unemployment and social inequalities The book shows how Europe wide interest groups formed and protesters were able to mobilize around key issues of integration The authors convincingly argue that the growth of contentious social movements has also been nourished by the EU policy process itself which leaves more room for interest groups and protest politics than for political parties and representative democracy An essential primer on European democracy this study will be invaluable for scholars and students in European politics and public policy globalization and democracy and comparative social movements

The European Commission and the Integration of Europe Liesbet Hooghe, 2001 What kind of European Union do top Commission officials want Should the European Union be supranational or intergovernmental Should it promote market liberalism or regulated capitalism Should the Commission be Europe's government or its civil service This 2002 book examines top officials' preferences on these questions through analysis of unique data from 137 interviews Understanding the forces that shape human preferences is the subject of intense debate Hooghe demonstrates that the Commission has difficulty shaping its employees' preferences in the fluid multi institutional context of the European Union Top officials' preferences are better explained by experiences outside rather than inside the Commission political party country and prior work leave deeper imprints than directorate general or cabinet Preferences are also influenced more by internalized values than by self interested career calculation Hooghe's findings are surprising and will challenge a number of common assumptions about the

workings and motives of the European Commission Flexibility and European Unification Alkuin Kölliker,2006 Based on a theory of differentiated integration this book investigates the dynamics of flexible European integration across EU policies and member states By doing so it provides a theory based comprehensive and an empirical account of European integration from the perspective of legal differentiation *Experiencing European Integration* Theresa Kuhn,2015 This book develops a comprehensive theoretical model to understand how transnational interactions relate to orientations towards European integration **European Union Enlargement** Jurgen Elvert,Wolfram Kaiser,2004-08-02 European Union Enlargement provides a comparative analysis of the post war European policies of those states that joined the European Union between 1973 and 1995 The volume draws upon new empirical research in order to investigate the policies that these newcomer states have had towards Europe since 1945 with an emphasis on their experience of membership and its possible Europeanising effect A final comparative chapter draws the national European policies of the newcomers together and outlines what they have brought to the EU The book also tests integration theories against the available evidence demonstrating their limited explanatory value and the economic political and cultural specificity of different national paths towards EU integration **European Identity in the Context of National Identity** Bettina Westle,Paolo Segatti,2016 This book provides an unprecedented insight into the multiple ways through which citizens of 16 countries connect their own national identity to European identity **Federalist Government in Principle and Practice** Donald P. Racheter,Richard E. Wagner,2012-12-06 Federalism has generally been characterized as a system of government that is friendly to liberty It is not obvious though why this should be so Federalism is a form of government where citizens simultaneously reside in at least two governments each of which has independent authority to tax and to regulate By contrast in a unitary form of government citizens face only one government with independent authority to tax and regulate At first glance it would seem a bit strange to claim that liberty is more secure when citizens are members of two governments with independent authority than when they are members of only one such government The relationship between federalism and liberty turns out to be a complex one and one that is capable of working in either direction Whether federalism supports or erodes liberty depends on importantly on the institutional framework within which federalist governance takes place The essays in *Federalist Government in Principle and Practice* examine this institutionalist theme from both theoretical and practical perspectives Europeanization and Regionalization in the EU's Enlargement to Central and Eastern Europe J. Hughes,G. Sasse,2004-10-12 This book is a study of EU conditionality and compliance during the enlargement to the Central and Eastern European candidate countries EU conditionality for membership is widely understood as having been a driving force for Europeanization providing incentives and sanctions for compliance or non compliance with EU norms such as the Copenhagen Criteria and the adoption of the *acquis communautaire* By taking regional policy and regionalization as a case study this book provides a comparative analysis of the effects of conditionality on the Central and East European countries

and explores the many paradoxes and weaknesses in the use of EU conditionality over time **Europeanization and the Southern Periphery** Kevin Featherstone, George Kazamias, 2014-05-12 Europeanization is a term increasingly used in the social sciences to describe the impact convergence or response of politicians and institutions in relation to the European Union This volume explores the concept in a variety of different settings in order to clarify its meaning *Wiring Europe* Giorgio Natalicchi, 2001 Involving both integration and liberalization the state of telecommunications in Europe has undergone radical change in the past few years Natalicchi political science U of Florence Italy examines the external and internal forces of change originating from international national and European Union levels He argues that the EU is a polycentric and multilayered polity and that multiple mechanisms determine integrative steps and policy outcomes Annotation copyrighted by Book News Inc Portland OR **Who Governs Southern Europe?** Pedro Tavares de Almeida, Nancy Bermeo, Antonio Costa Pinto, 2004-08-02 This collection is a comprehensive empirical account of the composition and patterns of recruitment of ministerial elites in Southern Europe throughout the last 150 years thus encompassing different historical circumstances and political settings The European Puzzle Marion Demossier, 2007 The twin concepts of Culture and Identity are inescapable in any discussion of European Integration and yet over the last ten years their meaning has become increasingly contested By combining an anthropological and political perspective the authors challenge the traditional boundaries within the issue of the construction of Europe In the first part historians and anthropologists from various national traditions discuss the process of the construction of Europe and its implications for cultural identities The second section examines a number of topics at the core of the process of Europeanization and presents up to date information on each of these issues political parties regions football cities the Euro ethnicity heritage and European cinema Emphasis is be placed on the political structuring of cultural identities by contrasting top down and bottom up processes that define the tensions between the unity and diversity of the European Community **The Rise of Regionalism** Rune Dahl Fitjar, 2009-09-10 This book examines why regional identities are stronger in some regions than in others and discusses the underlying causes of the mobilization of sub state regions in Western Europe over the past fifty years Comparing Strategies of (De)Politicisation in Europe Jim Buller, Pınar E. Dönmez, Adam Standring, Matthew Wood, 2018-07-03 This book investigates the extent to which depoliticisation strategies used to disguise the political character of decision making have become the established mode of governance within societies Increasingly commentators suggest that the dominance of depoliticisation is leading to a crisis of representative democracy or even the end of politics but is this really true This book examines the circumstances under which depoliticisation techniques can be challenged whether such resistance is successful and how we might understand this process It addresses these questions by adopting a novel comparative and interdisciplinary perspective Scholars from a range of European countries scrutinise the contingent nature of depoliticisation through a collection of case studies including economic policy transport the environment housing

urban politics and government corruption The book will be appeal to academics and students across the fields of politics sociology urban geography philosophy and public policy

Community, Scale, and Regional Governance Liesbet Hooghe,Gary Marks,2016-08-18 This is the second of five ambitious volumes theorizing the structure of governance above and below the central state This book is written for those interested in the character causes and consequences of governance within the state The book argues that jurisdictional design is shaped by the functional pressures that arise from the logic of scale in providing public goods and by the preferences that people have regarding self government The first has to do with the character of the public goods provided by government their scale economies externalities and informational asymmetries The second has to do with how people conceive and construct the groups to which they feel themselves belonging In this book the authors demonstrate that scale and community are principles that can help explain some basic features of governance including the growth of multiple tiers over the past six decades how jurisdictions are designed why governance within the state has become differentiated and the extent to which regions exert authority The authors propose a postfunctionalist theory which rejects the notion that form follows function and argue that whilst functional pressures are enduring one must engage human passions regarding self rule to explain variation in the structures of rule over time and around the world Transformations in Governance is a major new academic book series from Oxford University Press It is designed to accommodate the impressive growth of research in comparative politics international relations public policy federalism environmental and urban studies concerned with the dispersion of authority from central states up to supranational institutions down to subnational governments and side ways to public private networks It brings together work that significantly advances our understanding of the organization causes and consequences of multilevel and complex governance The series is selective containing annually a small number of books of exceptionally high quality by leading and emerging scholars The series targets mainly single authored or co authored work but it is pluralistic in terms of disciplinary specialization research design method and geographical scope Case studies as well as comparative studies historical as well as contemporary studies and studies with a national regional or international focus are all central to its aims Authors use qualitative quantitative formal modeling or mixed methods A trade mark of the books is that they combine scholarly rigour with readable prose and an attractive production style The series is edited by Liesbet Hooghe and Gary Marks of the University of North Carolina Chapel Hill and the VU Amsterdam and Walter Mattli of the University of Oxford

Democratic Dilemmas of Multilevel Governance J. DeBardleben,A. Hurrelmann,2007-09-27 Focusing on the EU this volume with a combination of theoretical perspectives and empirical research examines the problems multilevel governance causes for democratic legitimacy by placing it in a comparative and theoretical context and explore how challenges faced by the EU compare with those faced by traditional federal systems worldwide

The Euro Amy Verdun,2002 With euro banknotes and coins starting to circulate as of January 2002 this timely book comes at a crucial juncture for the European Union Exploring

the origins of and progress toward the introduction of the euro the contributors focus on the importance of economic and monetary union EMU as part of the larger process of European integration Thus chapters consider the value and limits of a range of theoretical approaches for understanding economic and monetary integration the pros and cons of EMU s institutional design and country specific experiences With an international group of leading scholars representing a range of disciplines this book offers a broad perspective on the dynamics of EMU

The Structure of Political Competition in Western Europe Zsolt Enyedi, Kevin Deegan-Krause, 2013-09-13 Is European party politics hovering above society Why do voters pick one party over others Is it a question of class Of religion Of attitudes about taxes or immigration or global warming Or is it something else entirely The Structure of Political Competition in Western Europe takes a detailed look at the ways in which Western Europe s party systems are anchored in social and ideological structures The book s first section focuses on the role of social structures particularly education class and religion and analyzes the complex interplay among these factors The second section addresses the ways that the sociological structures such as class and religion interact with voters values The third section examines the way that these structures and values shape the space of political competition among parties The conclusion integrates the findings of the empirical articles putting them into broader comparative perspective discussing whether relatively predictable structures have been overwhelmed by media driven spectacles political personalities and focus on short term economic performance This volume will appeal to scholars and graduate students in Europe and those from North America Asia and other regions who study European politics political parties cleavages and political behaviour This book was published as a special issue of West European Politics

European Security Bjørn Møller, 2016-04-22 Europe has undergone quite profound changes since the end of the Cold War Having been a highly militarised conflict ridden and war ridden region the core of Europe today constitutes a security community where armed conflicts among the constituent states has become inconceivable This comprehensive book offers a theoretically founded and thoroughly documented analysis of European security with a special emphasis on the role played by the United Nations and the various regional and sub regional organisations especially the North Atlantic Treaty Organisation the Organisation for Security and Cooperation in Europe the Council of Europe and the European Union When it comes to explaining peace in Europe opinions differ widely Some argue that it was only because the West refused to give in to Soviet threats that the latter eventually gave up or that the long peace in Europe was due to the combination of a bipolar alliance structure pitting the North Atlantic Treaty Organisation NATO against the Warsaw Pact with the presence of nuclear weapons on both sides Others point instead to the extraordinarily dense network of international institutions and organisations in Europe offering a wide panoply of fora in which to handle disputes peacefully or to the web of interdependence in economic and other affairs tying together all states in Europe in relations which militate strongly against war Still others believe that the external peace between the states in Europe is simply a reflection of a convergence of cultures democracies with marked economies that are

open towards the world market These questions are the focal point of this book which concentrates on security albeit not in the sense of being a treatise on military matters but security obtainable by much more indirect and non military means It will be required reading for all students and scholars of European security and the organisations which underpin it

When people should go to the books stores, search introduction by shop, shelf by shelf, it is in fact problematic. This is why we offer the books compilations in this website. It will categorically ease you to look guide **Regional Integration And Democracy Expanding On The European Experience** as you such as.

Regional Integration And Democracy Expanding On The European Experience Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regional Integration And Democracy Expanding On The European Experience has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regional Integration And Democracy Expanding On The European Experience has opened up a world of possibilities. Downloading Regional Integration And Democracy Expanding On The European Experience provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regional Integration And Democracy Expanding On The European Experience has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regional Integration And Democracy Expanding On The European Experience. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regional Integration And Democracy Expanding On The European Experience. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the

legal distribution of content. When downloading Regional Integration And Democracy Expanding On The European Experience, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regional Integration And Democracy Expanding On The European Experience has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regional Integration And Democracy Expanding On The European Experience Books

What is a Regional Integration And Democracy Expanding On The European Experience PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Regional Integration And Democracy Expanding On The European Experience PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Regional Integration And Democracy Expanding On The European Experience PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Regional Integration And Democracy Expanding On The European Experience PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Regional Integration And Democracy Expanding On The European Experience PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives

for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
