Reimagining Christianity Reconnect Your Spirit Without Disconnecting Your Mind:

Reimagining Christianity Alan Jones, 2004-10-18 Advance Praise From his pulpit at Grace Cathedral in San Francisco Alan Jones has influenced for good an entire continent of struggling Christians In this provoking and helpful new book he extends his voice to those both within and beyond the Church A thinking Christian in a thoughtless world is what he is and what he aims to make us This is a very good start The Reverend Professor Peter J Gomes The Memorial Church Harvard University and author of The Good Book It used to be that Christian institutions and systems of dogma sustained the spiritual life of Christians Increasingly spirituality itself is what sustains everything else Alan Jones is a pioneer in reimagining a Christian faith that emerges from authentic spirituality His work stimulates and encourages me deeply Brian D McLaren pastor crcc org and author of A New Kind of Christian This is a bracing breath of spiritual fresh air an intelligent witty and passionate reclaiming of the goal of religious practice the conversion of the heart to kindness and peace as the common faith in which we can all be believers Sylvia Boorstein author of Pay Attention for Goodness Sake and It s Easier Than You Think Alan Jones is the best guide I know to lead us on the thorny but promising path that could lead to the renewal of Christianity Sam Keen author of Fire in the Belly Compulsively readable Alan Jones s book is a brave and brilliant attempt to res cue Christianity from the clutches of the cruel reactionaries into which much of it has fallen Generous hearted Christians of all persuasions will cheer him on The Most Rev Richard Holloway retired as primus of the Scottish Episcopal Church and Bishop of Edinburgh Alan Jones combines the power of the mystical the honesty of the skeptical and the eagerness of the romantic His vision of faith and ministry for the time to come will be a gift for many readers Walter Brueggemann Columbia Theological Seminary Decatur Georgia A daring call to renew our relation to Christianity and ourselves through fac ing the great questions of the heart that today permeate the life of every serious seeker and the life of our whole endangered world Jacob Needleman author of The American Soul and Lost Christianity **The Great Awakening** Jim Wallis, 2009-01-06 Now in paperback the bestselling author of God s Politics revives our hope in a politics that reflects our highest common values and offers a roadmap for solving our biggest social problems **Come Here, Jesus** Barbara Cawthorne Crafton, 2018-11-17 Popular author with devoted following Non threatening way to start conversations about Jesus The inimitable Barbara Crafton describes the birth of this book We have to learn about Jesus from somebody Somebody has to tell us Jesus has been told to people by other people for better than twenty centuries There are things you only have to hear once and you ve got it Jesus is different Him we have to tell and re tell We mostly experience him in each other in our ways of telling and more importantly in our ways of showing who he is It is this that has prompted me to write a book about Jesus something I never expected to do But then this happened You need to write a book about Jesus This was not a voice I heard or anything spooky like that It was just a thought that popped into my head one night when I woke up at about 3 A M But this one had an air of urgency And it refused to leave You need to write a book about Jesus Well all right then Emerging Towards Apostasy

Russ McCullough,2013-10 There s nothing new under the sun the wise King Solomon once said How true Nineteen centuries after the Gnostics drove the early church into apostasy history is repeating itself As was the case in the second century many in the Lord s body in the twenty first century are trading reason for speculation conviction for opinion facts for narrative rationality for imagination and linear truth for allegory Emerging Towards Apostasy takes you back to the distant past discovering what drives and motivates the so called emerging church among departing churches of Christ in America today Along the way you will come to discern how apostasy is once again being driven by post modern philosophy denominationalism and an infatuation with the church fathers the patristics *Defending Inerrancy* Norman L. Geisler,William C. Roach,2012-01-01 According to the authors the doctrine of inerrancy has been standard accepted teaching for more than 1 000 years In 1978 the famous Chicago Statement on inerrancy was adopted by the Evangelical Theological Society and for decades it has been the accepted conservative evangelical doctrine of the Scriptures However in recent years some prominent evangelical authors have challenged this statement in their writings Now eminent apologist and bestselling author Norman L Geisler who was one of the original drafters of the Chicago Statement and his coauthor William C Roach present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God truth and language Pastors students and armchair theologians will appreciate this clear reasoned response to the current crisis *The Other Worldview* Peter Jones,2015-06-24 A must read for every concerned American and especially for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone **The Song of Songs** Charlie Cleverly,2015-07-16 The Song of Songs is redolent with poetic imagery featuring as it does the love songs of a man and a woman as they explore their relationship Down the centuries it has often been interpreted either as a sexually charged love story or an entirely metaphorical imagining of the relationship between God and his people In this deeply felt book Charlie Cleverly argues that both interpretations are critical to a true understanding of this book that lies right at the heart of the Bible If our relationships with one another and with God are not both fully in tune with our humanity in all its richness and with our spirituality in its highest form then we will fall short of all we can be in our lives Drawing on a wide range of sources literary and theological and across the ages Charlie Cleverly makes the case for a new rounded understanding of this important book *Religious Language and Asian American Hybridity* Julius-Kei Kato,2016-08-10 In this book Julius Kei Kato lets the theories and experiences of Asian American

hybridity converse with and bear upon some aspects of Christian biblical and theological language Hybridity has become a key feature of today's globalized world and is of course a key concept in postcolonial thought However despite its crucial importance hybridity is rarely used as a paradigm through which to analyze and evaluate the influential concepts and teachings that make up religious language This book fills a lacuna by discussing what the concept of hybridity challenges and resists what over simplifications it has the power to complicate and what forgotten or overlooked strands in religious tradition it endeavors to recover and reemphasize Shifting seamlessly between biblical theological and modern real world case studies Kato shows how hybridity permeates and can illuminate religious phenomena as lived and believed The ultimate goal of the move toward an embrace of hybridity is a further dissolution of the thick wall separating ideas of us and them In this book Kato suggests the possibility of a world in which what one typically considers the other is increasingly recognized within oneself

After Trump Donald Heinz, 2020-03-18 A black social gospel movement arose after the Civil War to mitigate the broken promises of reparations and the reestablishment of white supremacy After the Gilded Age a new social gospel arose in the early twentieth century that brought together Christian proclamation and an ethic of social justice that became liberal Protestantism's distinctive contribution to world Christianity leaving residues in the New Deal and the Great Society In the face of poverty and bondage in the 1960s Martin Luther King Jr led a second wave of the black social gospel movement and died for it as prophets do It birthed new liberation movements on many fronts Again things fell apart as the Reagan Revolution massively redistributed wealth and social benefits upward and late capitalism flourished In this environment tax cuts for the wealthy and massive inequalities grew and President Trump inherited the resentments of the Christian Right and the opportunism of economic conservatives Would a recurring social gospel have made a difference After Trump American Christianity faces another crisis of decision Will the strange God of the Bible be recalled will the churches relive as social movements that bring good news to all the people will American Christianity recontest the public square and proclaim a new social gospel for our times This book is an invitation and a manifesto
