The great juggling act of life can also cause that spark you once had to sputter. Throw differences in the ways men and women communicate into the mix as well and couples can't help but feel misunderstood and disconnected. What if you could re-ignite the attraction, passion, and communication you once had? Coach Todd says you can and offers tips, tools, and techniques to show you how to sharpen your couple communication skills and rediscover the joy and fun of being in a committed relationship.
