Simple Jess:

Simple Jess Pamela Morsi, 1996 Given an ultimatum by her interfering neighbors to find a husband by Christmas or have one selected for her reluctant widow Althea Winsloe searches for a possible mate and finds herself drawn to Simple Jess a sweet and gentle man of less than average intelligence Original **Changespell** Doranna Durgin, 2013-10 Dun Lady s Jess once a horse now learning the ways of the human heart love betrayal and deadly revenge Jess once a horse called Dun Lady s Jess is still struggling to integrate her human and equine selves when the wizard Arlen discovers someone in Camolen is callously turning wild creatures into bewildered and maddened human slaves It s unsettling enough that Camolen s wizards can t find the rogue magic user but the trouble has just started A dangerous wizard escapes Arlen s hold comes under attack and an entire company of peacekeepers disappears Jess soon realizes that she and her friends are at the center of events that threaten to leave her trapped helplessly in equine form while her friends fall victim to revenge and the Council of Wizards slowly loses control of Camolen

Quantum Mechanics I Alberto Galindo, Pedro Pascual, 2012-12-06 The first edition of this book was published in 1978 and a new Spanish edition in 1989 When the first edition appeared Professor A Martin suggested that an English translation would meet with interest Together with Professor A S Wightman he tried to convince an American publisher to translate the book Financial problems made this impossible Later on Professors E H Lieb and W Thirring proposed to entrust Springer Verlag with the translation of our book and Professor W Beiglbock accepted the plan We are deeply grateful to all of them since without their interest and enthusiasm this book would not have been translated In the twelve years that have passed since the first edition was published beautiful experiments confirming some of the basic principles of quantum mechanics have been carried out and the theory has been enriched with new important developments Due reference to all of this has been paid in this English edition which implies that modifications have been made to several parts of the book Instances of these modifications are on the one hand the neutron interferometry experiments on wave particle duality and the 27r rotation for fermions and the crucial experiments of Aspect et al with laser technology on Bell s inequalities and on the other hand some recent results on level ordering in central potentials new techniques in the analysis of anharmonic oscillators and perturbative expansions for the Stark and Zeeman effects *African American Scenebook*

her test shows an unheard of 98% compatibility with another subject in the database GeneticAlly's founder Dr River Pena. This is one number she can't wrap her head around because she already knows Dr Pena. The stuck up stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get to know him and we'll pay you. Jess, who is barely making ends meet, is in no position to turn it down despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the Diamond pairing that could make GeneticAlly a mint in stock prices, Jess begins to realize that there might be more to the scientist and the science behind a soulmate than she thought. Funny, warm, and full of heart. The Soulmate Equation proves that the delicate balance between fate and choice can never be calculated.

Langston Hughes Harold Bloom, 2009 Provides a biography of Langston Hughes along with critical views of his poetry and prose. **The Heiress and her Thug** CL Rowell, 2025-10-16 Perfect image. Perfect reputation. Perfect lie. Britney White has always been the girl on top, polished, adored, untouchable. But when Thomas Tulane, the campus bad boy with a chip on his shoulder, crashes back into her world, perfection starts to crack. He's infuriating, dangerous, and off-limits. He's also the only one who sees through her flawless mask. What begins as a battle of wills at a sorority auction ignites into something neither of them can deny. Secrets, scandal, and sparks fly as Britney and Tommy are forced to face the truth, the most dangerous risk of all might be falling for each other. Fans of steamy college romances with enemies-to-lovers tension, bad boys who bite back, and heroines who learn to shatter expectations will devour **The Heiress and her Thug**. **404** Brandon C. Laraby, 2011-11-27 Two years after the US Government threw The Switch and plunged the country into a neo-Dark Age, Marco Temura, a recovering internet addict and cub TV reporter, will uncover the truth behind the cyber attack that brought America to its knees. **Seductive Caress** Carla Simpson, A DANGEROUS PASSION The gaslit streets of Victorian London were no place for a lady like Jessamyn Hamilton. There was a madman on the loose. He had killed before. He would kill again. But she was determined to find her missing sister. She disguised herself as a common working girl and followed her only clues into Whitechapel's darkest alleys and darkest secrets. Devlin Burke didn't have time to find her sister; he was on the trail of a killer. But as the two cases began to intertwine, he was drawn to this dark-haired lass who was not at all what she seemed. Then Jess is the killer's next target, and Devlin must protect her at the same time Jess boldly reveals her identity in a dangerous scheme to expose a murderer who moves in the highest circles of London's aristocracy. **Burn** Peter Heller, 2025-07-22 From the best-selling author of *The Dog Stars* and *The Last Ranger*, a novel about two men, friends since boyhood, who emerge from the woods of rural Maine to a dystopian country racked by bewildering violence. Every year Jess and Storey have made an annual pilgrimage to the most remote corners of the country where they camp, hunt, and hike, leaving much from their long friendship unspoken. Although the state of Maine has convulsed all summer with secession mania, a mania that has simultaneously spread across other states, Jess and Storey figure it's a fight reserved for legislators or, worst case scenario, folks in the capital. But after weeks hunting off the grid, the men reach a small town and are shocked by what they find: a bridge blown apart.

buildings burned to the ground and bombed out cars abandoned on the road Trying to make sense of the sudden destruction all around them they set their sights on finding their way home dragging a wagon across bumpy dirt roads scavenging from boats left in lakes and dodging armed men secessionists or U S military they cannot tell as they seek a path to safety Then a startling discovery drastically alters their path and the stakes of their escape Drenched in the beauty of the natural world and attuned to the specific cadences of male friendship even here at the edge of doom Burn is both a blistering warning about a divided country s political strife and an ode to the salvation found in our chosen families
