As we grow in our Life with God **Simply God** Rick Richards,2011-10-10 When pastors and evangelists preach they try to convince you to change your lifestyle now This is not their fault They know that they have to do this They have to get you close to God because time could be short That is not equipping and preparing Equipping and preparing means giving you the tools of the trade That is living Gods Word and how to plan to do this The Word teaches that pastors are to equip the servants All that time convincing and not equipping is destroying Gods world Jesus equipped and encouraged Gods children and changed the world What is our excuse We need to divert all our mental and physical abilities to become like Jesus and begin to feel these changes in our bodies We have to stop becoming people of behaviors Over many generations we have reacted to what we have seen and heard and to the pleasures the world has given us We dont look and listen to God anymore because he doesnt give us what we want when we want it When the world sees this it gives us what we want and we take it We are not patient enough God gives us what we need As long as the world dangles that carrot in front of our faces we will continue to pull that heavy burdensome load of sin and pain It is only by seeing and hearing what God does in this world to bless his children that will show us how his grace and greatness will tower above our fears **Murder, Served Simply** Isabella

we can send them to others and spread the loving message of the gospel in a way that others understand and enjoy as well
God Bless Jack I would like to say that I like to read your little stories about when you and Mitzi go on your days walk You
talk about the weather the people see the flowers workers along the way and how it reminds you of scripture sayings I really
do enjoy them Thank you for sharing them Bob and Joyce We have been reading Millie s Devotionals for several years now
and for us they are very uplifting They seem to address all the things that are happening in our everyday lives And out of the
darkness of times today they are a bright spot in our day Jim and Melissa We are amazed at how this sweet kind soul has
opened our eyes through word to God s presence not only on a good day but difficult days as well Rich and Lori Praise God
for Miss Millie s devotion to Christ These Holy Spirit inspired writings with concise detailed connections from everyday
experiences help us realize that our God is in every moment Such a blessing Pastor Jeannine I love these devotions because I
can read and understand them easily and I can relate so many of them to situations in my own life as well as others I
anticipate reading the next one and the next one A daily blessing Kevin Oh how lucky I am And a reminder of how humble I
need to be Daily inspirations with a lesson and guidance from the scriptures of our Lord Walks with Millie and Mitzi smiles
abound Everyday messages that speak to splendor of life or a description of nature s creations that are around us A counsel
for us to have empathy to hardships and sorrows that others may face Pausing in my daily tasks for in each message I may
find comfort and some joy a need to grin or a need to pray for others or even a reflection I find I need to take on myself And
how fortunate I am receiving multiple blessings in each message as I receive a thought in my own journey with the Lord and
a daily walk with her my mom Simply Now 3 Chris Stubbs,2020-04-20 Many people want to know what their futures hold
To that end we worked through what needs to be done to derive a relevant set of predictions for a client We carried out two
exercises of backwards astrology on two famous people from their biographies and from their natural birth data From the
former we obtained dates and times of important life events and from the latter we constructed their Character Portraits The
two people concerned were Queen Mary of Teck QM wife of the UK s King George V and Gerald Ford the 38th President of
the U S A PF In the past 4 main methods of prediction have been proposed We applied all 4 to QM s major life events and
then the best 2 of them to those of PF We found that the most popular method used was the best This method uses a
combination of Secondary Progressions and Transits and became our method of choice We carried out an exercise of
forwards astrology from the acceptable natural birth data of a boy Oliver We produced his Character Portrait and determined
his predictions using the method of choice for the ends of the 3 separate and successive cycles of his progressed Moon each
of about 28 years Will he be able to make use of these predictions when his life events arrive Perhaps only time will tell
