Made For Each Other Reflections On The O:

Male and Female Made in God's Image Frances O'Dair, 2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God's truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in Male and Female Made in God's Image author Frances O'Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self-serving natures of their past dating and mating choices If we can stop the reckless self-gratifying use of human sexuality with our children our loving direction and understanding of God's truth can set them free from the temptations that have been passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn't intended for the well-being of men women children and the unborn This faith-inspired treatise explores the true source of happiness meaning and fulfilment that God has planned for everyone within the sacrament of marriage and the family circle

The Films of Akira Kurosawa, Third Edition, Expanded and Updated Donald Richie, 2023-12-22 In an epilogue provided for his incomparable study of Akira Kurosawa 1910-1998 Donald Richie reflects on Kurosawa's life work of thirty feature films and describes his last unfinished project a film set in the Edo period to be called *The Ocean Was Watching* Kurosawa remains unchallenged as one of the century's greatest film directors Through his long and distinguished career he managed like very few others in the teeth of a huge and relentless industry to elevate each of his films to a distinctive level of art His *Rashomon* one of the best remembered and most talked of films in any language was a revelation when it appeared in 1950 and did much to bring Japanese cinema to the world's attention Kurosawa's films display an extraordinary breadth and an astonishing strength from the philosophic and sexual complexity of *Rashomon* to the moral dedication of *Ikiru* from the naked violence of *Seven Samurai* to the savage comedy of *Yojimbo* from the terror-filled feudalism of *Throne of Blood* to the piercing wit of *Sanjuro*
