Manus O'Donnells Life Of Colum Cille:

The Life of Colum Cille Manus O'Donnell,1998 Manus O'Donnell's Life of Colum Cille provides an insight into the beliefs, practices and cultural interests of Gaelic Ireland in the early part of the 16th century before Reformation and the Tudor conquest. *Manus O'Donnell's Life of Colum Cille and Politics, Religion and Society in Donegal in the Early Sixteenth Century* Margarita Anne Nohilly,2005 *Betha Colaim Chille* Manus O'Donnell,1918 Clonmacnois - the Church and Lands of St. Ciar'an Annette Kehnel,1997 Clonmacnois was one of the main ecclesiastical centres in early Christian Ireland. Yet no comprehensive work has hitherto been published which examines its history as an institution of religious, social and economic life. This book undertakes a detailed analysis of Clonmacnois before and during the age of reform and assesses possible reasons for its subsequent decline as an ecclesiastical centre. It traces the history of the former lay ecclesiastical aristocracy down to the later Middle Ages and, using previously neglected evidence surviving in seventeenth-century transcripts, sets out to reconstruct the extent of the former monastic lands.

The Sources for the Early History of Ireland: an Introduction and Guide James Francis Kenney,1929 *Ireland and the Reception of the Bible* Bradford A. Anderson,Jonathan Kearney,2018-04-19 Drawing on the work of leading figures in biblical, religious, historical and cultural studies in Ireland and beyond, this volume explores the reception of the Bible in Ireland, focusing on the social and cultural dimensions of such use of the Bible. This includes the transmission of the Bible, the Bible and identity formation, engagement beyond Ireland, and cultural and artistic appropriation of the Bible. The chapters collected here are particularly useful and insightful for those researching the use and reception of the Bible, as well as those with broader interests in social and cultural dimensions of Irish history and Irish studies. The chapters challenge the perception in the minds of many that the Bible is a static book with a fixed place in the world that can be relegated to ecclesiastical contexts and perhaps academic study. Rather, as this book shows, the role of the Bible in the world is much more complex. Nowhere is this clearer than in Ireland, with its rich and complex religious, cultural and social history. This volume examines these very issues, highlighting the varied ways in which the Bible has impacted Irish life and society, as well as the ways in which the cultural specificity of Ireland has impacted the use and development of the Bible, both in Ireland and further afield.
