Carl and Pete stay in touch through weekly poker nights and occasional bouts of vigilantism but it s the deaths of their respective fathers that they most have have in common although they have each reacted in a very different way     **Make Space for Life** Peter Cross,Angella Gilbert,2013-09-30 Make Space for Life is far more than a how to book on decluttering your home It provides a journey that not only shows you how to rearrange your chattels and homes getting maximum use of whatever you have but also gives you amusing and thought provoking insights into why so many of our homes become cluttered chaotic and uncomfortable The book combines the skills and expertise of declutter expert Angella Gilbert and author and editor Peter Cross Between them they have written a witty and readable book bursting with practical pragmatic and inexpensive suggestions that could turn a shambolic dwelling place into an organized and welcoming retreat     Cold Gold II Dennis J. McTaggart,2014-05-12 In his latest novel Cold Gold II Dennis goes on to enlighten the reader with more adventures of Teddy and his crew of abalone poachers as they battle with Fisheries Inspector Wallace Piggy Trotter They run foul of Detective Jack Andrews and his partner Detective Karl They help a stricken whale and look for a Japanese submarine Teddys old mate Bass Strait Barry convinces them to have a dive on the New Zealand Star Bank They tangle with Muddy and his Bikie mates assist Teddys mate Henry when his family is threatened and in general do what they do best poach abalone This book is not for the faint hearted its full of rip roaring yarns written with an Australian twang Hold on as you venture side by side with Teddy and his team as they face death and disaster     Dark Hours John Dyer,2010-10 Living and working in the dark takes a certain kind of people the people that sleep all day the ones who are happy to miss the sunrise the sunsets and you re happy to pass them in the street under the lamp posts in the shadows and outside the shop windows while you are walking along without even a second glance but should you be so blase Maybe you should give them a second thought after all     Interpreting Policework Roger Grimshaw,Tony Jefferson,2023-03-31 In the 1980s there existed wide and often acrimonious disagreement over the purposes and objectives of police organizations the ways in which their activities were structured and their relations with the wider society Interpreting policework requires a rounded conception of policing based on both a thorough critique of the main theoretical trends in police sociology and close familiarity with actual patterns of policing on the streets in the stations and inside the police headquarters where key policies are formulated Originally published in 1987 the achievement of this book is that it combines rigorous theoretical analysis with a wealth of descriptive material drawn from first hand observation of policing and decision making at all levels and thus relates sociological theory to practice and political debate at the time The introduction provides a careful analysis of central theoretical and political strands in police sociology and proposes a new general conception of policework The authors go on to provide vivid illustrations of this conception from the worlds of uniformed unit beat patrols and resident beat officers and from the fora in which policy for operational practice is considered A final section draws the wider lessons of these concrete analyses for sociological theory and for our understanding of past policy shifts from one form of beatwork to another and spells out the

radical implications of the study for the political debate on the future of policing Interpreting Policework thus had relevance to students and researchers in police studies sociology public policy and the law at the time and will still be of historical interest today The authors are experienced researchers practised in investigating a wide range of criminological and social control issues

**The Pilgrim** Colin Maclachlan, 2025-08-30 An incredible story of courage and commitment under fire Bear Grylls The Pilgrim is the book the MOD tried to ban It is a rollercoaster of an autobiography of Colin Maclachlan known for his appearances on shows like Channel 4's SAS Who Dares Wins and Channel 5's Secrets of the SAS His autobiography starts with his troubled childhood and escape to the military where as a fifteen year old boy he grows up and matures into the SAS soldier we now recognise Early chapters describe physical mental and sexual abuse and Colin could easily have ended up in a home but despite the odds and with the help of both the Children's Panels NSPCC and some diligent schoolteachers Colin escaped to the army Colin had to get special permission to join the army at only fifteen years of age and goes from being a young vulnerable and damaged boy to a capable soldier through preparation for the first Gulf War and joining the oldest and most senior infantry regiment in the British Army The Royal Scots From operations in Northern Ireland to being the Queen's Butcher to Colin's first TV cameos on Soldier Soldier and Gladiators Colin's stories and anecdotes are both exhilarating and hilarious Colin then describes the arduous SAS selection process the hardest and most gruelling military selection process in the world Colin describes in some detail what most have never even heard in this secretive world where Colin goes from a course of 196 down to just a handful in six months The reader is then taken on a never seen before description of life as an SAS operator Daily life in an operational squadron and the operations missions and training involved all described in detail Colin was part of Mountain Troop D Squadron who were to be involved in some of the most high profile and dangerous missions in SAS history
