Ministry with Persons with Mental Illness and Their Families, Second Edition Robert H. Albers, William H. Meller, Steven D. Thurber, 2019-12-03 Those who are afflicted as well as those who are adversely affected by mental illness often live lives of quiet desperation without recourse to appropriate assistance Most caregivers confronted with these illnesses in the work of ministry have had no training or accurate information about mental illnesses so frequently they do nothing resulting in further harm and damage Others may operate out of a theological system that does not adequately account for the nature severity or treatment of these illnesses In *Ministry with Persons with Mental Illness and Their Families Second Edition* psychiatrists and pastoral theologians come together in an interdisciplinary collaborative effort to ensure accuracy of information concerning the medical dimensions of mental illness interpret these illnesses from a faith perspective and make suggestions relative to effective ministry Readers will learn how science and a faith tradition can not only co exist but work in tandem to alleviate the pain of the afflicted and affected

Pastoral Power Beyond Psychology's Marginalization Philip Browning Helsel, 2016-04-29 This book explores the suffering of social class and how traditional biomedical models for mental illness do not adequately account for the stresses of poverty Turning to mental health user testimonies this book equips ministers and counsellors to become working class advocates

Understanding Sacramental Healing Father John Kasza, 2022-01-07

The sacrament of the Anointing of the Sick plays a significant role in the lives of many throughout the Church but confusion over the sacrament can result in individuals not receiving this important comfort from the Church Understanding Sacramental Healing Anointing and Viaticum explores the rich history of the sacrament and addresses the changes that have occurred since the Second Vatican Council by providing a theological basis for the history and pastoral practice of the sacrament of the sick Father John Kasza offers a cohesive and concise synthesis of the disciplines of theology canon law medicine anthropology and liturgy geared toward assisting the practitioner in using the ritual to the fullest extent possible He also builds a greater appreciation of the sacrament and its part in the Church's role as healer in today's society By recognizing the theological tradition of the sacrament of the sick Understanding Sacramental Healing Anointing and Viaticum becomes an incisive reflection on the current state of the sacrament that will bring all priest and ministers of care to a greater understanding of the sacrament The author examines The liturgical development of the sacrament in light of the Second Vatican Council The practical implementation of the sacrament in both parish and diocesan venues in the 40 years since the close of the Council The nature of illness how illness affects someone and how the Church responds to those suffering from an illness The criteria for the reception of the sacrament and how its use may be broadened Just Care Leah R. Thomas, 2019-12-03 What does it mean to engage in ethical anti racist pastoral care with women with mental illness particularly if these women are residents of an inpatient psychiatric hospital This book draws on interviews with eighteen chaplains in three psychiatric facilities to examine psychiatric chaplaincy with women in the context of a state psychiatric hospital It combines the voices of the chaplains with the disciplines of Christian social ethics and feminist womanist and intercultural pastoral care to create Just Care an approach to pastoral care that accounts for both personal and societal systemic factors in its practice of ministry Just Care proposes that pastoral care that addresses the entirety of the person necessitates a commitment to justice and an attention to cultural dynamics as foundational for ethical pastoral care It argues that psychiatric pastoral care must honor the communal and individual nature of care both the particularity of the caregiver and care seeker as well as intersections of culture gender race and class *Practical Psychology for Pastors, 2nd Edition* William R. Miller, Kathleen A. Jackson, 2010-05-01 This practical handbook takes a totally fresh approach to the work of pastoral counselors by drawing on recent research and developments in the health and behavioral sciences Thoroughly revised and updated this edition incorporates new or expanded coverage of topics such as a new chapter on Pastoral Self Care which offers advice on maintaining psychological health avoiding crisis and preventing personal and occupational burnout the integration of counseling with other pastoral roles and functions pastoral counseling ethics how to help people build personal motivation for change grief counseling and crisis intervention post traumatic stress physical and sexual abuse and personality disorders **Spirituality and Health** Augustine Meier, Thomas St. James O'Connor, Peter L. VanKatwyk, 2006-01-01 Spirituality and Health Multidisciplinary Explorations examines the relationship between health well

being and spirituality Chaplains and pastoral counsellors offer evidence based research on the importance of spirituality in holistic health care and practitioners in the fields of occupational therapy clinical psychology nursing and oncology share how spirituality enters into their healing practices Unique for its diversity this collection explores the relationship between biomedical psychological and spiritual points of view about health and healing *Research in the Social Scientific Study of Religion, Volume 18* Ralph L. Piedmont, 2007-05-31 Research in the Social Scientific Study of Religion RSSSR publishes reports of innovative studies that pertain empirically or theoretically to the scientific study of religion including spirituality regardless of their academic discipline or professional orientation RSSSR is published annually with the kind support of Loyola College Maryland USA This volume of RSSSR contains several articles on spiritual development among adolescents spiritual transcendence Jung and pastoral counseling and spirituality and religiosity In addition to this a special section of nine articles is devoted to several aspects of positive psychology and its usage in practice Wrestling with Depression William Hulme, To the 20 million Americans who suffer from depression the Hulmes offer a promise of hope and healing Writing from his own battles with depression William helps depressed people their families and caregivers understand depression treatment and how people can cope Woven into William's story are his wife's struggles with her husband's illness

Facing Messy Stuff in the Church Kenneth L. Swetland, A collection of fifteen case studies that give church leaders practical and realistic preparation to handle tough issues like sexual harassment pornography divorce and the effects of abortion The book includes discussion questions an appendix for facilitating discussions and a bibliography of additional resources **The Doubting Disease** Joseph W. Ciarrocchi, 1995 The Doubting Disease by Joseph W Ciarrocchi brings to the fore the most current information available today on religion and scruples scrupulosity and obsessive compulsive disorders OCD In this book he helps us clearly appreciate the interior anguish suffered by thousands of people of faith who have this symptomatology and what we can do about it As well as offering a concise helpful understanding of the demographics etiology and treatment of scrupulosity and OCD in the Doubting Disease he also addresses the questions How does scrupulosity develop What are the differences between common and uncommon scrupulosity What are some classic and contemporary models of religious scrupulosity Where does the issue of scrupulosity fit into the history of pastoral care What are some practical ways to target scruples and increase motivation for reduction of scrupulosity and compulsivity How and when should persons get help for scrupulosity and OCD Essential for all persons involved in general ministry pastoral counseling and the treatment of religious persons suffering from scrupulosity and OCD I believe this book will also be of great service for anyone interested in the psychology of religion and the theological topics of conversion discernment and sin Robert J Wicks Series Editor Fragile Connections Donald Capps, 2014-02-18 One of the greatest contributions of Capps's book is the way in which he weaves together a vast range of theories interpretations and explanations of psychopathology without ever losing sight of the humanity of the person living with mental illness Far too many books seek to find one single

explanation of the baffling and complex phenomenon of mental illness *Fragile Connections* will expand our understanding and empower pastors and others concerned about mental illness with an eloquent exploration of one of the greatest mysteries of the human predicament Lewis Rambo San Francisco Theological Union and Graduate Theological Union Donald Capps skillfully guides his readers into the strange world of severe mental illness a neighborhood disturbingly close to home He first offers the lay of the land by scrutinizing particular psychiatric classifications He then carefully treks through gripping narrative accounts of those battling schizophrenia clinical depression bipolar disorder and Alzheimer's disease Finally with interpretive precision honed through a lifetime of attending to persons in pain Capps risks his own stunning insights into the anguish and mystery of these lives An exquisite and sobering journey Robert C Dykstra Princeton Theological Seminary *Fragile Connections* is a most welcome resource for those of us involved in theological education Capps's creative use of five memoirs allows persons who suffer from various mental illnesses and the family members who care for them to speak in their own voices about living with these afflictions Carol J Cook Louisville Presbyterian Theological Seminary Doing good with stealth as usual Donald Capps has designed this biblically historically grounded book for seminary students and ministers who will find no other like it The book holds out the key to understanding the experiences of those who are mentally ill and those who love them Capps argues that the study of individuals' personal memoirs rather than medically modeled case studies reveals the deep and profoundly personal nature of each person's unique experience of mental illness What is more written as it is in Capps's inimitable style this book fills a void in seminary curricula as it addresses a problem in methodology Antoinette Goodwin pastoral psychotherapist Princeton New Jersey

Autumn Gospel Kathleen Fischer, Kathleen R. Fischer, 1995 With her characteristic honesty gentleness and insight Kathleen Fischer explores the spiritual dimensions of women's middle and later years as she weaves together stories experiences and research from a variety of traditions and cultures She begins with a discussion of how societal images of older women constrict their sense of worth and their possibilities The author then suggests ways in which older women can embrace new visions of themselves She proceeds to explore the place of transitions the inner life contemplation the body mourning remembering caregiving and intergenerational connections as each relates to women's spirituality in later life At each chapter's end Dr Fischer offers rituals prayers and meditations that mark the passages of the second half of life

Health Care Ethics Benedict M. Ashley, 2006-11-22 *Health Care Ethics* is a comprehensive study of significant issues affecting health care and the ethics of health care from the perspective of Catholic theology It aims to help Christian and especially Catholic health care professionals solve concrete problems in terms of principles rooted in scripture and tested by individual experience however its basis in real medical experience makes this book a valuable resource for anyone with a general interest in health care ethics This fifth edition which includes important contributions by Jean deBlois C S J considers everyday ethical questions and dilemmas in clinical care and deals more deeply with issues of women's health mental health sexual
