Your Jesus Is too Small Douglas J. Miller,2018-02-06 We can make Jesus look very small if we are not careful *Your Jesus Is Too Small* explores how a trivialized Jesus contributes to a collapsed Christian moral character The 2016 election exposed the truth that for many Christians character does not count or is a very low priority Eighty one percent of white evangelicals voted for President Trump not known as a man of high moral character This collapse of character is especially troubling since Christians claim to seek after the mind and character of Jesus Christ What s more the ingrained and unrelenting cultural values combined with our inescapable self centered pursuits bombard us every moment and blight our character After noting how we belittle Jesus this book explores ways we can exalt him allowing his character traits to inform and then transform our hearts and minds A credible Jesus also means that more tongues will confess him and more knees bow before him and that more people will desire his compassionate character Then we will be morally equipped to address the great crises of our day persistent poverty the marginalizing of out groups raging violence and our planet s lingering woes
