Nigeria - Politics, Religion, Pentecostal-Charismatic Power and Challenges Akintayo Emmanuel, 2023-10-13 Nigeria presents an enthralling case study for understanding developing archetypes in interreligious encounters in Africa The global community needs a cultural understanding and sensitivity for productive engagement with the Arab and non Arab Muslim world The Nigeria religious exigencies provide a requisite intelligence into the challenges facing a global community seeking to foster peace Without a domain of tolerance love equity and justice Nigeria will continually be immured by pessimism parochialism cynicism and mutual suspicion Despite being the largest economy in Africa and the most populous Black

country Nigeria demonstrates incessantly an uncommon fault line between Christianity and Islam The significance of this goes beyond the borders of Nigeria but has become a global showcase anywhere the two religions exist contemporaneously Nigeria is the nexus between west and central Africa Rooted in the dusty Sahel of the north the savannah plains the rich rainforests of the Atlantic coast the rocky hills of the West and the oil filled swamps of the Delta Nigeria is the beauty sound vision passion and the soul of the African continent In Nigeria the Nigeria Pentecostal Charismatic Movement possesses a distinctive flair that demands a holistic understanding of the movement s historical cultural fundamental and religious dimensions in a multifarious religious landscape The disquisition of the movement s political cognizance identity power authority theology popular culture ethics and missiological impact in northern Nigeria presents a fine embroidery of their trials frustrations and challenges but inveterate in faith hope and love that opens up innovative panoramas of peaceful dialogical prospects and coexistence between Christians and Muslims in northern Nigeria In Nigeria Politics Religion Pentecostal Charismatic Power and Challenges Akintayo Emmanuel reconnoiters the complex missiological hindrances challenging the Nigerian Pentecostal Charismatic Movement Their contextual missional landslide disheveled with complicated paradoxes in the way the Christian majority have responded to Muslims in northern Nigeria is anatomized The Nigerian Pentecostal Charismatic Movement s puissance to solve some of Nigeria political ideological cultural and spiritual dimensions of crisis and sectarian violence is achievable if the movement can mitigate her missiological hindrances The responses of Nigerian Pentecostal Charismatic Movement to Nigeria s socio political and ethno religious complexities can construct a great future for the soul of Nigeria They do not only have the capacity to provide the Christian alternatives to Nigeria s peculiarities they can also stimulate Nigeria s deification among other nations by continuing to disentangle from unscrupulousness and atrociousness embedded within a reproach and opprobrium to any people **HIS MERCY**

PREVAILED: MY STORY, MY MISSION Fr. Stanley K. Ihouma SSJ, 2024-07-08 The book HIS MERCY PREVIEWED MY STORY MY MISSION is an exceptional and timely one born of a rare but humbling deep personal spiritual experiences that lasted more than two decades of suffering pain sorrow passion and agony For day and night your hand was heavy upon me Psalm 32 4 yet God s mercy prevailed In sharing the privileged and humbling journey with the Crucified Jesus the book offers hope to all in the verge of despair that with trust in God most assuredly there is light at the end of the tunnel Keeping hope live is the antidote against despair Yes weeping sorrow may endure for a night but joy cometh in the morning Psalm 30 5 It profoundly elucidates the fact that sometimes our present sufferings and pains might be means God is using to purify us prepare and equip his chosen for a future full of hope and above all for our salvation Every condition no matter how bad it seems to appear has an expiration date and therefore the book encourages us in all our distress that God still holds us in his merciful hands It very eloquently states that no matter how ugly the situations we face look that is not all there is about them The problems don t tell the whole story The uncompromising and inevitable truth remains that there will be a rainbow after

the storm Thus for I know the plans I have for you declares the LORD plans to prosper you and not to harm you plans to give you hope and a future Jer 29 11

Our Human Herds Stephen Martin Fritz,2020-09-04 Our Human Herds presents a new theory in moral and political philosophy called dual morality The theory proposes that just as the physical senses of sight smell taste touch and hearing evolved to help us navigate our physical environment two independent moral senses evolved to guide us to success in our social world One prioritizes cooperation the other competition The first bases moral justification on the egalitarianism that emphasizes our equal worth the other finds moral justification in the inequalities that allow us to distinguish better from worse Liberal and conservative are merely the names given to the political manifestations of these two forms of moral

expression just as socialist and capitalist describe their economic manifestations and personality and character their psychological ones Our Human Herds addresses what it means to be a human being why we fight about the things that divide us and why we unite behind the ideas that draw us together The book examines all aspects of human social behavior revealing how and why we often disagree in our approaches to education history war crime pleasure happiness politics science and religion This is a learned thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its pages fly by Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality Kirkus Reviews Book Review A vast philosophical study charts the shifting moral landscape while tackling the weightiest question of human existence what is the meaning of life Humanity s moral framework remains in a constant state of reconstruction As the author points out in his opening chapter Two hundred years ago if a woman was raped and became pregnant we d kill the rapist and spare the baby Today we spare rapist and kill the baby Centuries ago many cultures condoned polygamy today we put people in jail for it Over the course of this weighty tome which is just shy of 1 000 pages the author ponders what morality is with an emphasis on humans as grouping or herding creatures and the causes of its flux and reflux Furthermore there is an attempt to reconcile opposing philosophical theories by introducing a new conceptual model called Dual Morality proposed as an all encompassing blueprint of human morality The study is logically structured divided into four sections The Theory of Dual Moralism The Explanation including investigations of the group and the self The Derivations which considers family country religion and science nature technology and finally The Extrapolations a far reaching look at everything from pleasure and happiness to suicide murder and abortion The author possesses the rare skill of being able to explore himself with an enviable ease drawing on palatable references to popular culture For example Comedian Woody Allen said he laughs at his own jokes when they first come to him because humor originates in the unconscious When his conscious mind hears them for the first time it is as if they came from another place and so we are in a way an audience to our own humor This approach applied throughout makes complex ideas not only accessible but entertaining and enjoyable as well The result is far from the predictable dry academic thesis This is a learned thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its 951 pages fly by Fritz s dedication is to that miniscule fragment of humanity who read books like this Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality Kirkus Indie Kirkus Media LLC 6411 Burleson Rd Austin TX 78744 indie kirkusreviews *Backpacker* ,2001-03 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured
