World Religions and Cults Volume 2 Bodie Hodge, 2016-05-01 Recognize and refute the Far East false religions What do these religions teach and why How can a Christian be an effective witness for Jesus Christ when presented with ideas that are so different from a biblical perspective How can these religions be refuted and biblical authority be the standard This eye opening second volume deals with many Eastern religions like Hinduism Taoism New Age Sikhism Confucianism Shinto and Buddhism as well as other pagan based systems like Witchcraft Voodoo and Greek mythology and many more This volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short

Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies and discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible Miracles Today Craig S.

Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener s most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener s basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople

I Could Use a Miracle Right Now John Webb Kline, 2004 The movie The Passion of The Christ dramatically conveyed the price that Jesus paid on the cross to redeem the sins of the world John Webb Kline s new book I Could Use a Miracle Right Now profoundly brings the message of the cross and what it means to us in the 21st century into perspective in a way that few books can It is a story about one man s life long encounter with the Living Christ a story that one might call The Passion of the Christian It is a must read for any true seeker of truth or follower of Christ Author John Webb Kline describes his inspiring new book as a Workingman s Theology a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and

tribulations we all face Based on stories from his own often tumultuous yet miracle filled life Webb brings us to the amazing discovery that not only is God s intervention for our lives real but it is also there for each and everyone of us hidden only by our rational worldviews and unbelief This is a book about hanging on to faith when it would seem perfectly reasonable not to a book for the faithless and faithful alike it is a book for those who are feeling so hurt so angry or so left out of God s will that they have nothing left but the desire to curse God and die In today s world it very well could be your own handbook for survival Heart to Hand Ministries director Woody Wolfe has this to say about I Could Use a Miracle Right Now Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives even when the world had blurred our vision Webb s uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me I wish this book would have been around during those first days of my full time ministry when I was still looking to the world for affirmation To truly understand that God is already knocked out about us gives us the freedom to be just who we are and Webb has brought that vision of the uncompromising love of God to these pages Please visit the Miraclenews website

Trusting God for your Miracle and Breakthrough Day by Day: Dr. Olusola Coker,2018-09-06 As a Christian you must have been hearing the word Miracles in various church programs crusade church services Television Broadcast Radio etc but what exactly is the meaning of the word Miracle A Miracle is something that according to the laws of nature isn t supposed to happen but happen All of us have needed a miracle in the past need one now or will need one in the future The problem is that most Christians don t know how to receive a miracle from God One of the purposes of this book is to show you how to receive a Miracle from God Most Christians believe that God does miracles but simply believing God is able to do it is not enough You must know how to receive it You will also know whether a Miracle

is from God or Satan You must also be hearing of Breakthrough in your marriage Business Your life etc Breakthrough means an instance of achieving success in a particular sphere or activity You will also know how to breakthrough in any department of your life When do you achieve a breakthrough How do you create a breakthrough What can stop you from achieving a breakthrough Find out from this book The wonderful daily devotional in this book is designed to ensure that you achieve a miracle and breakthrough in any department of your life Give Us This Day Charles Erlandson,2011-08 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Rather than writing a short devotional about a particular verse from a passage Give Us This Day deals in depth with entire passages and their contexts rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament At the end of each day s devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer Matthew is the first volume of an eight volume series that will provide daily devotionals for every passage in the New Testament *Toddling to the Throne Room* Catherine Pickens Anderson, **How Luther Regards Moses** Miles Hopgood,2023-06-12 Though undertreated by modern scholars Martin Luther s lectures on Deuteronomy are critical to understanding his theological development as an exegete and also the course of the Reformation in the wake of Luther s return from the Wartburg in 1522 In these lectures Luther engages deeply with Moses whom he sees as an author prophet and ruler These three ways of regarding Moses allow Luther to forge a new approach to the Mosaic law shaping his response to what he perceives as the evangelical legalism of Andreas Karlstadt and Thomas M ntzer By shedding light on these exegetical principles and connecting these lectures to surrounding events Miles Hopgood brings new clarity as to why Luther broke with Karlstadt and the nature of his dispute with M ntzer demonstrates the importance of the Hebrew Bible in shaping Luther s mature exegesis and opens the door for fresh perspectives not only on the events of 1521 1525 but Luther s entire career as interpreter of scripture 365 Questions for a Woman's Soul Katherine J. Butler,2018-06-12 Why do so many people have to suffer Why doesn t my spouse love me Why can t I get a job Why can t we all just get along Why doesn t God seem to care what happens to me It is human nature to have a multitude of questions swirling around in your mind Sometimes you wonder if asking these questions about God the Bible and our world show signs of unbelief or doubt Or maybe you wonder if there is any point in asking questions of God at all 365 Questions for a Woman s Soul asks the deep questions for which our souls long for answers Some of these questions can be clearly answered from the pages of Scripture Other questions do not have tidy answers but by wrestling with them in relationship with God s Word we can gain perspective wisdom and a better
