Taylor, 2015-07-19 Excerpt from The Miracles of Our Saviour Expounded and Illustrated The generous reception given to my book on the Parables has encouraged me to

issue this companion volume on the Miracles of our Saviour the rather as there seemed to be room for a fresh treatment of these suggestive themes The Notes of Trench like everything which came from their authors hand are able thorough scholarly and will always hold a very high place in the estimation of students But the homiletic element in them is meagre and in these days when the question how to turn biblical subjects to the best account in the pulpit for the meeting of the necessities of our modern life is attracting so much attention there is a call for something more direct and practical than the archbishop has supplied The recent volume of Professor Laidlaw of Edinburgh is evidence of that call and will do much to meet it but before it was issued the manuscript of the following pages had passed out of my hands and arrangements had been made for their publication On such a subject however there is no competition but only co operation between brethren About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Lutheran Quarterly** ,1891 The Publishers' Trade List Annual ,1893
