Miranda Goose Lucy Kincaid, Tom Hirst, 1995-01-01 *The Golden Goose* June Walker Rogers, 1973 **The Antics of House Cleaning** Shirley Bassett, 2006-03-15 Are you in a job you don't like? Maybe you don't find yourself challenged as much as you would like and the possibility of advancement isn't there. Perhaps you're between jobs. Or maybe you've always thought about owning and operating a small business. Author Shirley Bassett knows how you feel. After a series of jobs she didn't like, Bassett began her own small housecleaning business. She shares her experiences in her book *The Antics of House Cleaning*. Bassett gives you the basics on how to get started, how to know who to hire and who not to hire, and how to check up on your employees. You'll also learn how to handle mishaps and how to work with what you have. The author also shares short stories about the everyday happenings of Bassett's housecleaning business. Owning your own business is challenging, and not everyone is cut out to be a business owner. *The Antics of House Cleaning* helps you determine whether it is an option for you.

My Husband's Lie Emma Davies, 2020-04-09 When I stumbled across the listing for Pevensey House, I knew I had found a way for my family to be free, and I didn't hesitate. I should have known that now. When Thea sees her old family home is up for sale, a beautiful old rectory in the small town where she and her childhood sweetheart, now husband Drew, grew up, she knows she has to have it. Her parents moved her away suddenly when she was eleven, but her childhood there was filled with happy memories. Drew seems less sure, but Thea is certain it's the perfect place to raise their two children. But as the last boxes are unpacked, Thea can't seem to settle. She thought the move would bring her family closer together, but Drew is growing more distant. And why do old friends cross to the other side of the road when they see her coming? Alone in the house, exploring the creaky corridors she used to cartwheel down as a young girl, Thea smiles as she slides open the loose panel she once used as a hiding place. But it only takes one look at the faded local newspaper clipping hidden inside for the bonds holding her perfect family together to break. It's not long before news of the scandal spreads further, and the whole town turns against her. Thea's life is in freefall as her head and her heart wrestle between taking the blame and fighting for her innocence. In a small town where no one ever forgets the past, can Thea find a way to save her family's future? This heart-wrenching and gripping family drama will have you hooked from the very first page. Perfect for anyone who loves Amanda Prose, Liane Moriarty, and Diane Chamberlain. What readers are saying about *My Husband's Lie*: Gave me goose bumps right from the start.
