*Beyond Dogmatics* John W. Cairns,2007-05-25 This book is an important contribution to the current lively debate about the relationship between law and society in the Roman world This debate which was initiated by the work of John Crook in the 1960 s has had a profound impact upon the study of law and history and has created sharply divided opinions on the extent to which law may be said to be a product of the society that created it This work is a modest attempt to provide a balanced assessment of the various points of view The chapters within this book have been specifically arranged to represent the debate It contains an introductory chapter by Alan Watson whose views on the relationship between law and society have caused some controversy In the remaining chapters a distinguished international group of scholars address this debate by focusing on studies of law and empire codes and codification death and economics commerce and procedure This book does not purport to provide a complete survey of Roman private law in light of Roma

T&T Clark Companion to the Dead Sea Scrolls George J. Brooke,Charlotte Hempel,2018-09-20 The Dead Sea Scrolls are one of the most important archaeological discoveries of the last century They have great historical religious and linguistic significance not least in relation to the transmission of many of

the books which came to be included in the Hebrew Bible This companion comprises over 70 articles exploring the entire body of the key texts and documents labelled as Dead Sea Scrolls Beginning with a section on the complex methods used in discovering archiving and analysing the Scrolls the focus moves to consideration of the Scrolls in their various contexts political religious cultural economic and historical The genres ascribed to groups of texts within the Scrolls including exegesis and interpretation poetry and hymns and liturgical texts are then examined with due attention given to both past and present scholarship The main body of the Companion concludes with crucial issues and topics discussed by leading scholars Complemented by extensive appendices and indexes this Companion provides the ideal resource for those seriously engaging with the Dead Sea Scrolls

**Jewish War under Trajan and Hadrian** William Horbury, 2014-09-18 Two major Jewish risings against Rome took place in the years following the destruction of Jerusalem the first during Trajan's Parthian war and the second led by Bar Kokhba under Hadrian's principate The impact of these risings not only on Judaea but also on Cyrene Egypt Cyprus and Mesopotamia is shown by accounts in both ancient Jewish and non Jewish literature More recently discovered sources include letters and documents from fighters and refugees and inscriptions attesting war and restoration Historical evaluation has veered between regret for a pointless bloodbath and admiration for sustained resistance William Horbury offers a new history of these risings presenting a fresh review of sources and interpretations He explores the period of Jewish war under Trajan and Hadrian not just as the end of an era but also as a time of continuity in Jewish life and development in Jewish and Christian origins

*Qumran and Jerusalem* Lawrence H. Schiffman, 2010-03-08 With the full publication of the Dead Sea Scrolls come major changes in our understanding of these fascinating texts and their significance for the study of the history of Judaism and Christianity One of the most significant changes that one cannot study Qumran without Jerusalem nor Jerusalem without Qumran is explored in this important volume Although the Scrolls preserve the peculiar ideology of the Qumran sect much of the material also represents the common beliefs and practices of the Judaism of the time Here Lawrence Schiffman mines these incredible documents to reveal their significance for the reconstruction of the history of Judaism His investigation brings to life a period of immense significance for the history of the Western world

*The Dead Sea Scrolls* Charlotte Hempel, 2010-07-26 This volume presents the proceedings of an international conference of the same title held at the University of Birmingham in 2007 The contributors are drawn from the ranks of leading international specialists in the field writing alongside promising younger scholars The volume includes studies on the contribution of the Scrolls to Second Temple Jewish history the archaeological context the role of the temple and its priesthood as well as treatments on selected texts and issues These proceedings offer a timely and up to date assessment of the Dead Sea Scrolls and the material remains unearthed at Qumran in their wider context and not infrequently challenge prevailing lines of interpretation Helen Jacobus has won the Sean Dever Memorial Prize with her contribution to this volume Commenting on the Dever prize Professor Carol Meyers of Duke University North Carolina said The judges thought highly of

Helen's meticulous scholarship and careful presentation of the data in her discussion of the zodiac and its role in Jewish calendars
