Montana - 1889 O. James Taylor,1989 Fire Episodes in the Inland Northwest (1540-1940) Based on Fire History Data Stephen W. Barrett,1997 *Flames in Our Forest* Stephen F. Arno,Stephen Allison-Bunnell,2013-04-10 Shaped by fire for thousands of years the forests of the western United States are as adapted to periodic fires as they are to the region's soils and climate Our widespread practice of ignoring the vital role of fire is costly in both ecological and economic terms with consequences including the decline of important fire dependent tree and undergrowth species increasing density and stagnation of forests epidemics of insects and diseases and the high potential for severe wildfires *Flames in Our Forest* explains those problems and presents viable solutions to them It explores the underlying historical and ecological reasons for the problems associated with our attempts to exclude fire and examines how some of the benefits of natural fire can be restored Chapters consider the history of American perceptions and uses of fire in the forest how forest fires burn effects of fire on the soil water and air methods for uncovering the history and effects of past fires prescribed fire and fuel treatments for different zones in the landscape *Flames in Our Forest* presents a new picture of the role of fire in maintaining forests describes the options available for restoring the historical effects of fires and considers the implications of not doing so It will help readers appreciate the importance of fire in forests and gives a nontechnical overview of the scientific knowledge and tools available for sustaining western forests by mimicking and restoring the effects of natural fire regimes *General Technical Report INT. ,1997* PNLA Quarterly Pacific Northwest Library Association,1989 Subject Guide to Books in Print ,1991 **Arts & Humanities Citation Index** ,1998 **Montana Centennial , 1889-1989** ,1989 **Montana 1889** Ken Egan,2023-08-02 When Montana became the 41st state in 1889 an old pioneer lamented Now she's gone to hell but most Montanans embraced statehood as the inevitable culmination of one of the most rapid and dramatic transformations in United States history Only twenty five years after becoming a territory Montana was profoundly different the buffalo slaughtered and gone the Indian wars fought and ended the tribal nations confined to reservations cattle and sheep raised by the tens of thousands Butte exploded into a rich wide open town and railroads built to link the once remote land with the world Montana 1889 tells the many stories of this overwhelming transformation by entering into the lives emotions and decisions of diverse peoples cooperating and competing on this contested ground As in Ken Egan's highly acclaimed *Montana 1864* these stories are told month by month deftly showing the flow and friction of events and the unfolding destinies of individuals and nations *Copper Chorus* Dennis L. Swibold,2006 This is the first book devoted to Montana's long history of industrial newspaper ownership and the consequences for democracy The work also reveals the costs paid by owners and their journalists whose credibility eroded as their increasingly constricted newspapers lapsed into ambivalence and indifference The story offers a timeless study of the conflict between commerce and the notion of a free and independent press Western Montana Progress Edition, 1864-1889-1964 ,1964 Centennial: Montana , Newspaper clippings from
