New Religions Of Japan A Bibliography Of Westernlanguage Materials:

Shintō-Bibliography in Western Languages Arcadio Schwade,2023-11-27 The New Religions of Japan H. Byron Earhart,1970 Bibliography of Japanese New Religions, with Annotations and an Introduction to Japanese New Religions at Home and Abroad Peter Bernard Clarke,1999 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs converging history beliefs and practices main publications braches worldwide and membership *Bibliography of Japanese New Religious Movements* Peter B Clarke,2013-12-16 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs converging history beliefs and practices main publications braches worldwide and membership **Area Bibliography of Japan** Ria Koopmans-de Bruijn,1998 Provides a general overview of literature relating to Japan and covers a broad range of subject matter from art feminism and linguistics to corporate culture history and medicine Includes books published since 1980 that are related to the geographical area of Japan and to Japanese culture within that area **The New Religions of Japan** H. Byron Earhart,1983 **Kurozumikyo and the New Religions of Japan** Helen Hardacre,2020-11-10 The description for this book Kurozumikyo and the New Religions of Japan will be forthcoming **the New Religions of Japan** ,1970 **Celebrity Gods** Benjamin Dorman,2012-02-29 *Celebrity Gods* explores the interaction of new religions and the media in postwar Japan It focuses on the leaders and founders ky s of Jiu and Tensh K tai Jing Ky two new religions of Japan s immediate postwar period that received substantial press attention Jiu was linked to the popular prewar group motoky and its activities were based on the millennial visions of its leader a woman called Jik son When Jiu attracted the legendary sumo champion Futabayama to its cause Jik son and her activities became a widely covered cause c l bre in the press Tensh K tai Jing Ky labeled odoru sh ky the dancing religion by the press was led by a farmer s wife Kitamura Sayo Her uncompromising vision and actions toward creating a new society one that was far removed from what she described as the maggot world of postwar Japan drew harsh and often mocking criticism from the print media Looking back for precursors to the postwar relationship of new religions and media Benjamin Dorman explores the significant role that the Japanese media traditionally played in defining appropriate and acceptable social behavior acting at times as mouthpieces for government and religious authorities Using the cases of Renmonky in the Meiji era and motoky in the Taish and Sh wa eras Dorman shows how accumulated images of new religions in pre 1945 Japan became absorbed into those of the immediate postwar period Given the lack of formal religious education in Japan the media played an important role in transmitting notions of acceptable behavior to the public He goes on to characterize the leaders of these groups as celebrity gods demonstrating that the media which were generally untrained in religious history or ideas chose to fashion them as celebrities whose antics deserved derision While the prewar media had presented other ky s as the antithesis of decent moral citizens who stood in opposition to the aims of the state postwar media reports presented them primarily as

unfit for democratic society Celebrity Gods delves into an under studied era of religious history the Allied Occupation and the postwar period up to the early 1950s It is an important interdisciplinary work that considers relations between Japanese and Occupation bureaucracies and the groups in question and uses primary source documents from Occupation archives and interviews with media workers and members of religious groups For observers of postwar Japan this research provides a roadmap to help understand issues relating to the Aum Shinriky affair of the 1990s Encyclopedia of Library and Information Science Allen Kent, Harold Lancour, Jay E. Daily, 1977-05-01 The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes This thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science Impeccably researched cross referenced alphabetized by subject and generously illustrated the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field **The Oxford Handbook of New Religious Movements** James R Lewis, 2008-07-17 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground Its contributors drawn from both sociology and religious studies are leading figures in the study of NRMs **Japanese New Religions in the West** Peter B. Clarke, Jeffrey Somers, 2013-10-18 An excellent and very timely update on an area seeing many recent developments **Religion in Contemporary Japan** I. Reader, 1991-02-22 What role does religion play in contemporary Japanese society and in the lives of Japanese people today Through a series of case studies of religion in action at crowded temples and festivals in austere Zen meditation halls at home and work at dramatic fire rituals it illustrates the immense variety energy and colour inherent in Japanese religion while discussing the continued relevance and responses of religion in a rapidly modernising and changing society Modern Japanese society / edited by Josef Kreiner, Ulrich Hohwald and Hans Dieter Olschleger. Josef Kreiner, Ulrich Mèohwald, Hans Dieter Ölschleger, 2004 Is Japanese society essentially different from other modern industrialized societies or not This survey work with contributions from the leading scholars in this complicated field presents a full overview of the most important aspects of Japanese society which may lead the reader to find an answer to these two often asked questions Japanese society defined as those institutions shaping the life of individuals and groups as well as being responsible for the dynamics of social development is shown to be as modern as any other industrialized society definitely distinct though are the ways in which institutions are defined and organised as a result of different social and historical roots of the process of modernization Christianity the Japanese Way Caldarola, 2023-07-31 **Establishing the Revolutionary** Birgit Staemmler, Ulrich M. Dehn, 2011 New religions in Japan claim millions of members and simultaneously provoke criticism and fulfil social functions This publication serves as a handbook about these new religions on the basis of recent research written by an international range of scholarly experts **Handbook of East Asian New**

Religious Movements Lukas Pokorny, Franz Winter, 2018-04-24 This Handbook has won the ICAS Edited Volume Accolade 2019 Brill warmly congratulates editors Lukas Pokorny and Franz Winter and their authors with this award A vibrant cauldron of new religious developments East Asia China Taiwan Korea Japan and Vietnam presents a fascinating arena of related research for scholars across disciplines Edited by Lukas Pokorny and Franz Winter the Handbook of East Asian New Religious Movements provides the first comprehensive and reliable guide to explore the vast East Asian new religious panorama Penned by leading scholars in the field the assembled contributions render the Handbook an invaluable resource for those interested in the crucial new religious actors and trajectories of the region Religion and the State Scott A. Merriman, 2009-07-14 This timely and authoritative resource combines both topical and country by country coverage to help readers understand the coexistence of church and state in nations around the world today At a time when faith based groups have become more politically active in the United States and with religious conflicts at the epicenter of many of the world's most dangerous hotspots Religion and the State An International Analysis of Roles and Relationships could not be more welcomed or timely Country by country faith by faith it unravels the historic underpinnings and long range effects of the relationship between religious principles and the operations of government in its many guises worldwide The work combines topical essays on significant developments in the confluence of religion and law throughout the world with short descriptions of each country's current treatment of religion Readers can investigate specific nations compare situations across nations and explore key issues in the pervasive often controversial relationship between religion and government Mount Fuji H. Byron Earhart, 2015-07-15 Illustrated with color and black and white images of the mountain and its associated religious practices H. Byron Earhart's study utilizes his decades of fieldwork including climbing Fuji with three pilgrimage groups and his research into Japanese and Western sources to offer a comprehensive overview of the evolving imagery of Mount Fuji from ancient times to the present day Included in the book is a link to his twenty eight minute streaming video documentary of Fuji pilgrimage and practice Fuji Sacred Mountain of Japan Beginning with early reflections on the beauty and power associated with the mountain in medieval Japanese literature Earhart examines how these qualities fostered spiritual practices such as Shugendo which established rituals and a temple complex at the mountain as a portal to an ascetic otherworld As a focus of worship the mountain became a source of spiritual insight rebirth and prophecy through the practitioners Kakugyo and Jikigyo whose teachings led to social movements such as Fujido the way of Fuji and to a variety of pilgrimage confraternities making images and replicas of the mountain for use in local rituals Earhart shows how the seventeenth century commodification of Mount Fuji inspired powerful interpretive renderings of the peerless mountain of Japan such as those of the nineteenth century print masters Hiroshige and Hokusai which were largely responsible for creating the international reputation of Mount Fuji In the eighteenth and nineteenth centuries images of Fuji served as an expression of a unique and superior Japanese culture With its distinctive shape firmly embedded in Japanese culture but its

ethical ritual and spiritual associations made malleable over time Mount Fuji came to symbolize ultranationalistic ambitions in the 1930s and early 1940s peacetime democracy as early as 1946 and a host of artistic naturalistic and commercial causes even the exotic and erotic in the decades since Chinkon Kishin Birgit Staemmler, 2009

New Religions Of Japan A Bibliography Of Westernlanguage Materials Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free New Religions Of Japan A Bibliography Of Westernlanguage Materials PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free New Religions Of Japan A Bibliography Of Westernlanguage Materials PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can

enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of New Religions Of Japan A Bibliography Of Westernlanguage Materials free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
