New Testament Greece And Rome:

New Testament, Greece, and Rome History Laurie Detweiler, 1998 **New Testament Greece and Rome Teacher's Manual, 2nd Ed** Laurie Detweiler, 2010-01 **New Testament, Greece, and Rome History** Marlin Detweiler, Laurie Detweiler, 1998-01-01 **Essentials of New Testament Greek** John Homer Huddilston, 1895 *The Quest for the Original Text of the New Testament* Philip Wesley Comfort, 2003-09-02

If only we could hold the actual words of Luke's descriptive narrative or Paul's outpouring of pastoral pain to the church at Corinth. Now we can. A continuing quest to recover the New Testament text allows Christians to open their Bibles with confidence that the words approximate the writer's Greek quill strokes or the English equivalents. Such thought breathes excitement into Philip Comfort's history of the New Testament text and discussion of the credibility and limitations of texts and translations. Comfort challenges the view that early copyists were careless and took editorial liberties. He argues that their accuracy and integrity are indisputable. While this task involves comparing manuscripts, technical facts are framed in historical and cultural color. He assures Christians that even uncovering the paper signed by Paul would not change our understanding of what he said. This introduction to the work of textual criticism challenges students to continue the quest for the original text. It is essentially a sequel to *Early Manuscripts and Modern Translations of the New Testament*.

An Introduction to the New Testament, Second Edition Charles B. Puskas, C. Michael Robbins, 2011-06-16

Studying the New Testament requires a determination to encounter this collection of writings on its own terms. This classic introduction by Charles B. Puskas, revised with C. Michael Robbins, provides helpful guidance. Since the publication of the first edition, which was in print for twenty years, a host of new and diverse cultural, historical, social, scientific, socio-rhetorical, narrative, textual, and contextual studies has been examined. Attentive also to the positive reviews of the first edition, the authors retain the original tripartite arrangement on 1. the world of the New Testament, 2. interpreting the New Testament, and 3. Jesus and early Christianity. This volume supplies readers with pertinent primary and secondary material. The new edition carries on a genuine effort to be nonsectarian and, although it is more of a critical introduction than a general survey, it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament.

A Heavenly Chorus Justin Jeffcoat Schedtler,2014-10-30 The claim that Revelation s hymns function as did Classical tragic choral lyrics insofar as they comment upon or interpret the surrounding narrative has become axiomatic in studies of Revelation Justin Jeffcoat Schedtler marks an advance in this line of inquiry by offering an exegetical analysis of Revelation s hymns alongside a presentation of the forms and functions of ancient tragic choruses and choral lyrics Evaluating the hymns in light of the varieties and complexities of ancient tragic choruses he demonstrate that they are not best evaluated in terms of choral lyrics generally but in terms of dramatic hymns in particular insofar as they constitute mythological theological reflections on the surrounding narrative and function to situate the surrounding dramatic activity in
