New Revelation

John S. Darden

New Revelation:

Revelation to Transformation Paul White, 2011-06-08 Most of us have become accustomed to the constant preaching and teaching of guilt and condemnation This slowly but surely pulls our eyes off of the loveliness of the finished work and onto the unfinished areas of our lives We know that we are flawed we don't need someone screaming at us to figure that out Our problem is not the absence of knowledge that we need help Rather it is the utter inability to help ourselves Calvary was God's intervention in all of our issues By relieving us of the punishment of sin He is freeing us from the weight of guilt and the fear of death The author of Hebrews said that when Jesus died He did so to deliver them who through fear of death were all their lifetime subject to bondage Hebrews 2:15 Jesus has delivered us from fear of eternal punishment by being punished in our place

The Lost Revelation Ira Messenger, 2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books The Wrong Turn The Fourth Dimension and The Indictment Messenger is also a radio and television talk show host The Lost Revelation offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do

yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity **For Us** Blake Conrad,2025-09-09 The same God who spoke the world into existence still speaks his life giving word into the world today The hearts that receive his word receive a God of eternal support a God who is for them This is the God who always was actively is and ever will be for his people The word of God is true and the promise stands secure If God be for us who can be against us Romans 8 31 Before we were born our God was for us by shaping who we would be where we should live what we should do and when we should come back into relationship with him He gave us life and placed us in three key environments for our growth nourishment and fruit nature his word and his Son Jesus Christ At this moment our God is actively working for us By our faith we are born again and we receive an entirely new life source identity and power from Christ He actively grows us into the image of Christ for our special purposes in his work He actively works the perfection of our faith by leading us into good works our righteousness in them through Christ and into his perfect peace and presence in our lives God guards his work of perfection in our hearts and minds by providing a twofold hedge of protection After we sleep our God will still be for us When we rest in hope after we die God will raise us up unto perfection with Christ He will clothe our new spiritual bodies with righteousness in Christ and establish us into his heavenly kingdom to come All Things New Brian J. Tabb,2019-04-30 For many readers of the Bible the book of Revelation is a riddle that fascinates and frustrates In this NSBT volume Brian Tabb stresses the importance of the canonical context of the book of Revelation and argues that it presents itself as the climax of biblical prophecy showing how Old Testament prophecies and patterns find their consummation in the present and future reign of Jesus Christ

Storied Revelations Gisela H Kreglinger,2014-08-28 Parables were used by Jesus to reveal to us the kingdom of God and to move us from being bystanders to active recipients of God s work of revelation However parables are constantly at risk of being buried as mummies of prose as George MacDonald puts it We become so familiar with the language of Scripture that Jesus parables no longer work on us in this revelatory and transforming way George MacDonald the Victorian poet and theologian observed this very process at work in Victorian society It was a culture saturated with Christian jargon but often devoid of a profound understanding of the gospel for its own time and culture The language of Scripture no longer penetrated people s hearts imaginations and attitudes it no longer transformed people s lives MacDonald called to be a pastor turned a story and more specifically the parabolic as a means of spiritual awakening He created fictive worlds in which the language of Jesus would find a new home and regain its revelatory power for his particular Victorian audience

A Series of Pamphlets on the Doctrines of the Gospel Orson Pratt,1891 Understanding Revelation Jack Hilliard,2008-11 The end of this world as we know it is near The book of Revelation is the most prominent book in the Bible when it comes to revealing the events of the end times Revelation has been misunderstood by ministers and laymen alike since its canonization in the Bible It has been interpreted in so many ways that it is confusing to the average Bible student

therefore many today make very little or no attempt to understand its truths This book however uses a different method of interpreting the Revelation It uses the 39 books of the Old Testament and 27 books of the New Testament in the Bible to interpret the book of Revelation Scripture interpreting Scripture You see God has hidden the symbols and mysteries of Revelation within the Bible itself When we make this amazing discovery we will have more Understanding Revelation the title of this book Jack Hilliard received his BS and MBA from California Coast University He has been a student of the Bible since his salvation experience in 1978 He has taught a class in Revelation a walk through the Old and New Testament of the Bible Teaching teachers etc He has served the Lord in many ways since 1978 including service as a Sunday School Teacher Chairman of the Personnel Committee Member of the Finance Committee Deacon and Chairman of the Deacons etc He retired in 2005 after serving 35 years in the utility industry where he received many awards and commendations from superiors and peers Jack heard the calling from the Holy Spirit approximately 7 years ago to write a book on Revelation This book is an answer to that call Within the Bible are passages from the Old and New Testament that reveals the mysteries and symbols of the book of Revelation There are many of those passages defined in this book The Dublin Review ,1860

Orson PRATT,1851 **Holy Fable Volume IV** Robert M. Price,2020-04-21 In this fourth volume of Robert M Price s celebrated Holy Fable series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times Employing the same sympathetic but eagle eyed treatment that defined past volumes he offers in depth analysis of the Joseph Smith penned Book of Mormon the long sealed Gospel according to Thomas the New Age Jesus of the Aquarian Gospel the H P Lovecraft invented Necronomicon and the Andrew Lloyd Webber and Tim Rice rock opera Jesus Christ Superstar With his trademark scholarship and wit he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today **The Commentaries of Origen and Jerome on St. Paul's Epistle to the Ephesians** Ronald E. Heine,2002-12-05 This important study provides the first English translation of both the surviving fragments of Origen s Commentary on Ephesians and of the complete text of Jerome s Commentary on Ephesians The two translations are placed parallel to one another where they treat the same texts in Ephesians thus showing Jerome s extensive dependence on Origen s commentary By using

collateral texts from other works of Origen Jerome and Rufinus the author is able to show Jerome s dependence on Origen in numerous passages in his commentary where the Greek text of Origen s commentary is lost The translation is accompanied by Heine s illuminating commentary and a substantial introduction sets the works in their historical context The book makes a significant contribution not only to scholarship on Origen and Jerome but also to the wider question of the interpretation of scripture in the early Christian centuries
