The New Slave Masters George McKinney, Jr., William Kritlow, 2023-09-10 The New Slavemasters George D. McKinney, 2004-12 One of the nation's most prominent African American bishops exposes drugs violence and sexual promiscuity as today's slave masters and declares that God designed the family to be a powerful loving environment capable of withstanding the negative influences of society Internet Slave Master John Glatt, 2011-04-01 John Edward Robinson was a 56 year old grandfather from rural Kansas An entrepreneur and Eagle Scout he was even honored as Man of the Year at a Kansas City charity To some of the women he met on the Internet he was known as Slavemaster a sexual deviate with a taste for sadomasochistic rituals of extreme domination and torture even killing Masquerading as a philanthropist he promised women money and adventure For fifteen years he trawled the Web snaring unsuspecting women They were never seen again But in the summer of 2000 the decomposed remains of two women were discovered in barrels on Robinson's farm and three other bodies were found in storage units Yet the depths of Robinson's bloodlust didn't end there For authorities the unspeakable criminal trail of Slavemaster was just beginning Internet Slave Master is a true story of sadistic murder in the Heartland told by true crime master John Glatt **From My Heart the Black Race** Leonard Karshima Shilgba, 2011-03 From My Heart is a chronological assessment of the contributing events between 2004 and 2009 that have helped define Nigeria and Africa What leashes have kept Nigeria from fulfilling the expectations of her people Can a country which spends more on public officials than it does on public education make rewarding economic progress Was Dr James D Watson accurate in his assessment which attracted the umbrage of Africans and non Africans in 2007 Those questions and more have been addressed in an interactive and daring manner From My Heart is a useful resource material for scholars who seek information not only about developments in Nigeria which are responsible for its current social shape but also about Africa and the entire black race This book contains testimony by Nuhu Ribadu former Nigerian anti corruption Czar given before the U S House Financial Services Committee About the Author Leonard Shilgba grew up in Nigeria but lived studied and worked in Japan He currently lives with his family in the university town of Yola just outside Abuja Nigeria's capital He is a university professor at the American University of Nigeria Yola In addition he is continuously working on strengthening the Nigeria Rally Movement which he co founded Publisher's website <http://www.strategicpublishinggroup.com/title/FromMyHeart.html> *Masters and Slaves in the House of the Lord* John B. Boles, 2021-03-17 Much that is commonly accepted about slavery and religion in the Old South is challenged in this significant book The eight essays included here show that throughout the antebellum period southern whites and blacks worshipped together heard the same sermons took communion and were baptized together were subject to the same church discipline and were buried in the same cemeteries What was the black perception of white controlled religious ceremonies How did whites reconcile their faith with their racism Why did freedmen as soon as possible after the Civil War withdraw from the biracial churches and establish black

denominations This book is essential reading for historians of religion the South and the Afro American experience New Slave Masters George McKinney,2006-10-31 This book is a wake up call to America In a cultural debate that frequently becomes a blame game in which races fault one another for the evils of society Bishop McKinney presents an inspired message that dares to place the blame exactly where it belongs at the root of all evil He dares to point to God and the community of faith in a bold way as the only logical hope for true restoration and liberty Lincoln Unmasked Thomas J. DiLorenzo,2009-01-21 What if you were told that the revered leader Abraham Lincoln was actually a political tyrant who stifled his opponents by suppressing their civil rights What if you learned that the man so affectionately referred to as the Great Emancipator supported white supremacy and pledged not to interfere with slavery in the South Would you suddenly start to question everything you thought you knew about Lincoln and his presidency You should Thomas J DiLorenzo who ignited a fierce debate about Lincoln s legacy with his book The Real Lincoln now presents a litany of stunning new revelations that explode the most enduring and pernicious myths about our sixteenth president Marshaling an astonishing amount of new evidence Lincoln Unmasked offers an alarming portrait of a political manipulator and opportunist who bears little resemblance to the heroic stoic and principled figure of mainstream history Did you know that Lincoln did NOT save the union In fact Lincoln did more than any other individual to destroy the voluntary union the Founding Fathers recognized did NOT want to free the slaves Lincoln who did not believe in equality of the races wanted the Constitution to make slavery irrevocable was NOT a champion of the Constitution Contrary to his high minded rhetoric Lincoln repeatedly trampled on the Constitution and even issued an arrest warrant for the chief justice of the United States was NOT a great statesman Lincoln was actually a warmonger who manipulated his own people into a civil war did NOT utter many of his most admired quotations DiLorenzo exposes a legion of statements that have been falsely attributed to Lincoln for generations usually to enhance his image In addition to detailing Lincoln s offenses against the principles of freedom equality and states rights Lincoln Unmasked exposes the vast network of academics historians politicians and other gatekeepers who have sanitized his true beliefs and willfully distorted his legacy DiLorenzo reveals how the deification of Lincoln reflects a not so hidden agenda to expand the size and scope of the American state far beyond what the Founding Fathers envisioned an expansion that Lincoln himself began The hagiographers have shaped Lincoln s image to the point that it has become more fiction than fact With Lincoln Unmasked DiLorenzo shows us an Abraham Lincoln without the rhetoric lies and political bias that have clouded a disastrous president s enduring damage to the nation **Thai Radical Discourse** Craig J. Reynolds,2018-05-31 Using Jit Poumisak s The Real Face of Thai Feudalism Today 1957 Reynolds both rewrites Thai history and critiques relevant historiography Discussing imperialism feudalism and the nature of power Reynolds argues that comparisons between European and Thai premodern societies reveal Thai social formations to be historical contingent and temporally bounded
