## **Radical Right In Western Europe A Comparative Analysis:**

The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries      **The extreme Right in Western Europe** Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally      **Radical Right-Wing Populist Parties in Western Europe** Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen s National Front or Nigel Farage s UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally      **Radical Right** Pippa Norris, 2005-08-22 During recent decades radical right parties have been surging in popularity in many nations gaining

legislative seats enjoying the legitimacy endowed by ministerial office and striding the corridors of government power The popularity of leaders such as Le Pen Haider and Fortuyn has aroused widespread popular concern and a burgeoning scholarly literature Despite the interest little consensus has emerged about the primary factors driving this phenomenon The puzzle is to explain why radical right parties have advanced in a diverse array of democracies including in Austria Canada Norway France Italy New Zealand Switzerland Israel Romania Russia and Chile while failing to make comparable gains in similar societies elsewhere such as in Sweden Britain and the United States This book first published in 2005 expands our understanding of support for radical right parties through presenting an integrated new theory which is then tested systematically using a wealth of cross national survey evidence covering almost forty countries

**The Media and the Far Right in Western Europe** Antonis A. Ellinas, 2010-01-29 Explains one of the most important phenomena in Western Europe the rise of far right parties

**Reflections on the Extreme Right in Western Europe, 1990-2008** Christopher Husbans, 2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being a valuable resource for those teaching courses on this topic or on general political sociology

**Voting Radical Right in Western Europe** Terri E. Givens, 2005-10-10 The economic and political conditions that have led to the rise of radical right parties exist in similar form and intensity all over Europe Yet radical right parties have only been successful in a few countries The Republikaner party s less than 2% of the vote is much lower than the National Front s high of 15% and the Freedom Party s 27% of the vote in national legislative elections Why do such a small percentage of voters choose the radical right in Germany Why is the radical right winning more seats in Austria than in France and Germany The main argument in this book is that radical right parties will have difficulty attracting voters and winning seats in electoral systems that encourage strategic voting and or strategic

coordination by the mainstream parties The analysis demonstrates that electoral systems and party strategy play a key role in the success of the radical right

**Extreme Right Parties in Western Europe** Piero Ignazi, 2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression Beginning with a discussion of the usefulness of the left right distinction it deals with the varied significance of the term right and analyses the right s post war evolution across Europe

Mapping the Extreme Right in Contemporary Europe Andrea Mammone, Emmanuel Godin, Brian Jenkins, 2012 In recent years the revival of the far right and anti Semitic racist and fascist organizations has posed a significant threat throughout Europe Mapping the Extreme Right in Contemporary Europe provides a broad geographical overview of the dominant strands within the contemporary radical right in both Western and Eastern Europe After providing some local and regional perspectives the book has a series of national case studies of particular countries and regions including Austria Belgium Bosnia Herzegovina Croatia Eastern Europe France Germany Greece Italy Malta Portugal Romania Scandinavia Serbia Spain Switzerland Turkey Ukraine and the United Kingdom A series of thematic chapters examine transnational phenomena such as the use of the Internet the racist music scene cultural transfers and interaction between different groups Drawing together a wide range of contributors this is essential reading for all those with an interest in contemporary extremism fascism and comparative party politics

**The Populist Radical Right in Central and Eastern Europe** Andrea Pirro, 2015-06-05 Often neglected in the study of far right organisations post communist Europe recently witnessed the rise and fall of a number of populist radical right parties The Populist Radical Right in Central and Eastern Europe is the first comparative study to focus on the ideology impact and electoral performance of this party family in the region The book advances a series of arguments concerning the context and text of these parties and systematically analyses the supply side and demand side of populist radical right politics Whilst populist radical right parties in Central and Eastern Europe maintain broad similarities with their West European counterparts they come across as a distinct phenomenon worthy of study in their own right Parties like Ataka Bulgaria Jobbik Hungary and the SNS Slovakia resort to historical legacies and contextual idiosyncrasies to frame their ideology interact with other parties over a number of policy areas and ultimately compete for public office on the basis of their nativist agenda The book provides a novel framework for the analysis of different aspects of populist radical right politics notably enhancing the understanding of this phenomenon by means of primary data such as personal interviews with party leaders and original expert surveys Using the ideological features of these parties as an overarching analytical tool this book is essential reading for students and scholars researching the far right post communist issues and European politics in general

**Voters and Parties in the Spanish Political Space** Ignacio Sánchez-Cuenca, Elias Dinas, 2016-04-08 This book deals with the structure of Spanish politics how citizens and parties locate themselves in political space and how these actors make decisions based on their positions in the various dimensions this space consists of The authors of this volume address the questions surrounding the dimensions of Spanish

politics the effect of the nationalist issue Catalonia and the Basque Country in Spanish political competition the reasons for which the Catalans and the Basques appear as more left wing than the rest of Spain the ways in which Spanish voters make their choices the political issues that are more polarizing in Spain the background behind why the two main parties hold such similar positions on redistribution whether the territorial conflict has an impact on preferences for redistribution and how the immigration issue alters political competition All of these questions rely on the spatial theory of politics for their analyses The data used in all the chapters come from a survey that was especially designed with the aim of addressing all these topics that are examined in the book This is the first exhaustive and rigorous explanation of how Spanish politics work based on the positions that parties and citizens occupy in the political space This book was published as a special issue of South European Society and Politics

**Social Movement Studies in Europe** Olivier Fillieule, Guya Accornero, 2016-03-01 Bringing together over forty established and emerging scholars this landmark volume is the first to comprehensively examine the evolution and current practice of social movement studies in a specifically European context While its first half offers comparative approaches to an array of significant issues and movements its second half assembles focused national studies that include most major European states Throughout these contributions are guided by a shared set of historical and social scientific questions with a particular emphasis on political sociology thus offering a bold and uncommonly unified survey that will be essential for scholars and students of European social movements

**Policy Change under New Democratic Capitalism** Hideko Magara, 2016-12-19 Democratic capitalism in developed countries has been facing an unprecedented crisis since 2008 Its political manageability is declining sharply Both democracy and capitalism now involve crucial risks that are significantly more serious than those observed in earlier periods The notion of policy regimes has gained new significance in analysing the possibilities for a post neoliberal alternative Policy innovations directed towards an economic breakthrough require both political leadership and a new economic theory The processes of political decision making have become quite distant from the public realm and a limited number of economic and political elites exert influence on public policy This book examines from a policy regime perspective how developed countries attempt to achieve such a breakthrough at critical junctures triggered by economic crises It initially assesses the nature of the present crisis and identifies the actors involved Thereafter it provides an analytical definition of a crisis stressing that most crises contain within them the potential to be turned into an opportunity Finally it presents a new analytical design in which we can incorporate today's more globalized and fluid context

*The Populist Radical Right* Cas Mudde, 2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties

organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

Varieties of Populism in Europe in Times of Crises Manuela Caiani, Paolo Graziano, 2021-03-26 Populism is booming across all the nuances of the political spectrum It occupies relevant positions in national parliaments in governmental coalitions with mainstream parties or as successful challengers of the political status quo This volume sheds new light on the topic from different methodological and theoretical angles and offers evidence from a variety of cases on the why and how questions on populism s emergence and consolidation in Europe over the past 30 years The volume composed of eight chapters investigates how different populist parties in the European Union have been affected by the various crises disentangling the role of the Great Recession vis vis other factors such as political and party system factors but also structural social changes or cultural opportunities in the growing strength of populist parties in various European countries More specifically the volume aims are to promote critical discussion on the concept of populism reflecting on its conceptual usability beyond the traditional party families to which it is usually related use a preliminary theoretical clarification to shed new light on the different ways in which populism has been articulated in the various European countries either in Continental and Southern Europe or in the lesser known and studied East Central countries since the economic crisis which has acted as an external shock for many party systems either giving birth to new political actors or consolidating existing ones investigate the connections between populism and the national contextual political and cultural specificities that can determine the development of different types of populisms across countries elaborating on different configurations of triggering conditions for populism and reflecting on the limitations of a discrete conceptualisation of the phenomenon The chapters in this book were originally published as a special issue of West European Politics

New British Fascism Matthew Goodwin, 2011-05-05 The British National Party BNP is the most successful far right party in British political history Based on unprecedented access to the party and its members this book examines the rise of the BNP and explains what drives some citizens to support far right politics It is essential reading for all those with an interest in British politics extremism voting race relations and community cohesion The book helps us understand how wider trends in society have created a favourable climate for the far right how the far right has presented a modernised ideology and image how the movement is organized and has evolved over time who votes for the far right and why why people join become and remain actively involved in far right parties

*The Politics of Migration in Italy* Pietro Castelli Gattinara, 2016-04-14 Migration represents one of the key issues in both Italian and European politics and it has triggered EU wide debates and negotiations alongside alarmist and often sensationalist news reporting on the activities of government party and social movement actors

The Politics of Migration in Italy explores what happens when previously undiscussed issues become central to political agendas and are publicly debated in the mass media Examining how political actors engage with the issue of migration in electoral campaigning this book highlights how complex policy issues are addressed selectively by political entrepreneurs and how the responses of political actors are influenced by strategic incentives and ongoing events This book studies the dynamics of the politicization of the immigration issue across three local contexts in Italy Prato Milan and Rome which differ systematically with respect to crucial economic cultural and security dimensions of immigration Offering an innovative exploration of party competition and migration in Italy as well as providing the conceptual and analytical tools to understand how these dynamics play out beyond the Italian case this book is essential reading for students scholars and policymakers working in the areas of migration studies agenda setting and European politics more generally **The Routledge**

**Handbook of Scandinavian Politics** Peter Nedergaard, Anders Wivel, 2017-08-09 The Routledge Handbook of Scandinavian Politics is a comprehensive overview of Scandinavian politics provided by leading experts in the field and covering the polity the politics and the policy of Scandinavia Coherently structured with a multi level thematic approach it explains and details Scandinavian politics today through a series of cutting edge chapters It will be a key reference point both for advanced level students developing knowledge about the subject as well as researchers producing new material in the area and beyond It brings geographical scope and depth with comparative chapters contributed by experts across the region Methodologically and theoretically pluralistic the handbook is in itself a reflection of the field of political science in Scandinavia and the diversity of the issues covered in the volume The Routledge Handbook of Scandinavian Politics will be an essential reference for scholars students researchers and practitioners interested and working in the fields of Scandinavian politics European politics comparative politics and international relations **Politics and Society in Western Europe** Jan-Erik Lane, Svante O. Ersson, 1999-02-23

Politics and Society in Western Europe is a comprehensive introduction for students of West European politics and of comparative politics This new edition has been extensively revised and updated to meet with the new needs of undergraduate students as they come to terms with a changing social and political landscape in Europe This textbook provides a full analysis of the political systems of 18 Western European countries their political parties elections and party systems as well as the structures of government at local regional national and European Union levels Throughout the book key theoretical ideas are accessibly introduced and examined against the very latest empirical data on civil society and the state The Rise of the Far Right in Europe Gabriella Lazaridis, Giovanna Campani, Annie Benveniste, 2016-07-04

The results of the last European Elections of 2014 confirmed the rise of right and far right populist parties across the EU The success of a range of parties such as Denmark s Dansk Folskeparti Slovenia s Slovenska demokratska stranka France s Front National Greece s Golden Dawn the United Kingdom Independence Party Beppe Grillo s Five Star Movement in Italy and the Austrian FP has been perceived as a political wave which is transforming the face of the European Parliament and challenging at some

level the hegemony of the big four well established European political forces that lead the Strasbourg s assembly the ALDE EPP S D and Greens ALE As populism has become a major issue in many EU countries this collection aims to provide a critical understanding of related trends and recommend ways in which they can be challenged both in policy and praxis by using the gender race ethnicity sexual orientation intersectionality approach This international volume combines extensive transnational comparative data analysis as well as research at discursive attitudinal and behavioural levels

The Enigmatic Realm of **Radical Right In Western Europe A Comparative Analysis**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Radical Right In Western Europe A Comparative Analysis** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.

### **Radical Right In Western Europe A Comparative Analysis Introduction**

Radical Right In Western Europe A Comparative Analysis Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Radical Right In Western Europe A Comparative Analysis Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Radical Right In Western Europe A Comparative Analysis : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Radical Right In Western Europe A Comparative Analysis : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Radical Right In Western Europe A Comparative Analysis Offers a diverse range of free eBooks across various genres. Radical Right In Western Europe A Comparative Analysis Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Radical Right In Western Europe A Comparative Analysis Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Radical Right In Western Europe A Comparative Analysis, especially related to Radical Right In Western Europe A Comparative Analysis, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Radical Right In Western Europe A Comparative Analysis, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Radical Right In Western Europe A Comparative Analysis books or magazines might include. Look for these in online stores or libraries. Remember that while Radical Right In Western Europe A Comparative Analysis, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Radical Right In Western Europe A Comparative Analysis eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often

sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Radical Right In Western Europe A Comparative Analysis full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Radical Right In Western Europe A Comparative Analysis eBooks, including some popular titles.

### FAQs About Radical Right In Western Europe A Comparative Analysis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Right In Western Europe A Comparative Analysis is one of the best book in our library for free trial. We provide copy of Radical Right In Western Europe A Comparative Analysis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Right In Western Europe A Comparative Analysis. Where to download Radical Right In Western Europe A Comparative Analysis online for free? Are you looking for Radical Right In Western Europe A Comparative Analysis PDF? This is definitely going to save you time and cash in something you should think about.
