Baker,2014-03-02 The Opening of the Third Eye The human brain is a priceless computer lying perfectly maintained but almost silent None of us uses the full potential of this amazing instrument yet we all possess a secret trigger for activating its mechanism Called the Third Eye in occult language this trigger can release a vortex of psychic energy for the extension of awareness in new dimensions for speeding up or slowing down time as experienced on our planet and achieving one hundred per cent personality integration Dr Baker reveals that the Third Eye derives its power from the pineal pituitary and carotid glands allied to whirlwinds of energy known as chakras or force centres There are seven of these centres in the human body their physical location being the base of the spine the solar plexus the spleen the heart the throat the brow and the top of the head Five safe techniques for arousing the Third Eye are provided They have been practised by the author without hazard and with many rewards for over forty years In our present condition we can only observe the outer surface of the planet manifesting in gaseous liquid and solid form We are completely unaware of the subtler states of matter beneath these outward appearances But the Third Eye reveals all underlying structures This means that one could observe the termites in apparently solid wooden paneling or more constructively man s inner organs could be observed and all traces of disease in them immediately recognised with consequent enormous benefits to medical progress      *It's My Birthday Too* Sylvia Mallonee,2015-07-22 For a number of years I had a feeling of pervasive sadness in the month of December that I could not explain especially around Christmastime Our birthday Anna Christines and mine is December 12 just twelve days before Christmas I do not know how old I was when I learned I had a twin sister The only thing I remember being told is You had a twin sister and she died End of story She was never talked about and never even given a name For a period of time she did not seem real to me so I gave her the name of Anna Christine In my heart I wanted to make that connection and tell our story That desire persisted and out of that desire the book I longed to write is becoming a reality Its My Birthday Too is a story about the journey of twin souls During a memorable walk in December 2004 I connected to Anna Christine and the bond that only twins have has become stronger every day I know now that my twin has been with me always She always has been and she always will be So I invite you to join us on our journey It is a story of a forever kind of love      [Spiritual Balancing](#) Diana Burney,2016-02-16 This guide to spiritual empowerment provides a spiritual approach to the psychology of everyday living by offering practical strategies and step by step methods for clearing out negative psychic energy Addressing topics such as spirit interference spirit possession and spirit attachment Diana Burney who has helped thousands worldwide refocus energies for positive results shares timeless lessons and basic techniques for psychic protection and spiritual cleansing Those who feel stuck energetically emotionally mentally or financially will learn tools for healing and self empowerment that will help them release impediments and accelerate their spiritual journey In these difficult times Spiritual Balancing provides answers for readers at all levels of
