Reason Enough Clark H. Pinnock, 1980 *Faith Has Its Reasons* Kenneth Boa, Robert M. Bowman Jr., 2012-01-05 A most accessible but thoroughly practical primer on apologetics **John Dewey and the Ethics of Historical Belief** Curtis Hutt, 2013-04-15 John Dewey and the Ethics of Historical Belief addresses the ethics of the representation of the past with a focus on the justification of historical belief within religious and critical historiographical traditions What makes a belief about the past justified What makes one historical belief preferable to another A great deal rides on how these questions are answered History textbook wars take place across the globe from California to India Cultural heritage protection is politicized and historical research is commonly deployed in support of partisan agendas This book explores not only John Dewey's relatively unknown contribution to this topic but also the leading alternatives to his approach Author Curtis Hutt focuses attention on the debate among those most influenced by Dewey's thought including Richard Rorty Richard Bernstein James Kloppenberg Wayne Proudfoot and Jeffrey Stout He also reviews the seminal work of Van Harvey on the relationship between historians and religious believers Dewey is cast as a vigorous opponent of those who argue that justified historical belief depends upon one's religious tradition Strongly resisted is the idea that historical belief can be justified simply on account of acculturation Instead Dewey's view that beliefs are justified as a result of theorized historical inquiry is emphasized In order to prevent moral blindness the responsible historian and theologian alike are advised to attend to witnesses to the past that arise from outside of their own traditions **The Doctrine of the Twelve Apostles**, 2022-11-17 Excerpt from The Doctrine of the Twelve Apostles Translated Into English With Introduction and Notes The Doctrine of the Twelve Apostles or the Doctrine of the Lord's Charge to the Twelve Apostles to the Gentiles exists in a single manuscript written in 1056 AD By one Leon notary and sinner It was first published in 1883 by Philotheus Bryennius Metropolitan at that time of Serrae in Macedonia and afterwards of Nicomedia who had discovered the precious volume in the library of the Jerusalem Monastery of the Most Holy Sepulchre at Constantinople About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Evangelical Review of Theology*, Volume 46, Number 4, November 2022 Thomas Schirrmacher, 2022-11-21 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a

McManis,2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will fi nd it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully todays readers will be able to understand and put into practice the true nature of Peters command in 1 Peter 3 15 as it is strategically situated in its defi ning context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida

And with All Your Mind Steven H. Propp,2010-12-21 Its 1971 and Silas Baker is a high school senior in California whose main interests are basketball and weekend parties But his life takes a dramatic turn when he encounters a group of committed Christians who soberly inform him that Jesus is coming soon They enroll at Riverstent Bible College Its an exciting time as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel Popular movies further inflame this passion as the eager students study Apologetics and Biblical Archaeology aberrant theologies such as the Death of God movement and even conflicting interpretations of the End Times An activist spirit develops within evangelicalism culminating in the so called Christian Right as the evangelical world is rocked in the aftermath of the televangelist scandals Confronted by world views such as Calvinism and Christian Reconstruction the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell or who promote an Open yet limited concept of God himself As society evolves so

does evangelicalism seeker sensitive megachurches appear while Postmodernism and the Emergent Church become realities Theologians wrestle with the question of divorce and remarriage and the role of women in the church as well as the divisive issue of homosexuality As they struggle with life's realities they ultimately must also respond to nonchristians who are alienated indifferent or engaged in active opposition to Christianity while searching for the meaning of Christian faith in the modern world

Religious Ambiguity and Religious Diversity Robert McKim, 2015 The religious ambiguity of the world has many aspects one of which is the hiddenness of God Theists have proposed a number of explanations of God's hiddenness Some putative explanations contend that the advantages of God's hiddenness goods of mystery outweigh whatever benefits would result if God's existence and nature were clear to us goods of clarity Goods of mystery that have received a lot of discussion include human moral autonomy and the ability on our part to exercise control over whether we believe in the existence of God The extent of the ambiguity that surrounds God's existence and indeed all important religious matters combined with our lack of an obviously correct and adequate explanation of this lack suggest that even if God exists it is not important that people believe in God Another central theme in the book is the significance of religious diversity for religious belief The character of this diversity is such that it provides people who take a position on religious matters with reason to adopt the Critical Stance which requires people in all the religious traditions to subject their religious beliefs to critical scrutiny and hold those beliefs in a tentative way Some contend that religious faith requires complete confidence in what is believed but tentative belief actually is sufficient to sustain many forms of religious commitment

Inerrant the Word Robert M. Price, 2009-12-04 In this painstakingly researched and penetrating analysis of the dispute on the doctrine of biblical inerrancy the belief that the Bible is correct in any statement it makes whether on nature or history on doctrine or morals Price provides a historical survey of the fundamentalist modernist controversy of the early 20th century and argues that this history began repeating itself in the 1970s

Revitalizing Theological Epistemology Steven B Sherman, 2010-03-25 In Revitalizing Theological Epistemology Steven B Sherman addresses questions about what evangelical

theology ought to be doing in light of the changing cultural situation He wonders if the Christian faith should continue to be presented and defended mainly according to Enlightenment principles when growing criticism of modern thought is affecting virtually every discipline and if evangelicalism and its intellectual leaders ought to wait it out or whether they should revision their theology This book is about contemporary evangelical approaches to the knowledge of God considering and suggesting ways Christian philosophers and theologians envision and make use of theological knowledge in the postmodern context

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Pinnock, John D. Wagner, 2015-03-31 Did Christ atone for the sins of humanity on the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered Grace for All The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God s grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion Grace for All The Arminian Dynamics of Salvation is an updated and revised version of Grace Unlimited a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College **Freedom Unlimited** Jeffrey S. Hocking, 2010-10-18 How are we to understand the freedom for which Christ has set us free Gal 5 1 Could it be that we have barely glimpsed what this might mean Most theological accounts of freedom frame the discussion in terms of heteronomy or autonomy In the Protestant tradition Calvinists are known for championing the former and Arminians are credited with advocating the latter More recently open theists in significantly modifying the Arminian paradigm argue that neither tradition provides a satisfying account of human freedom and propose a more libertarian form of autonomy This book joins the debate at this point not in order to take sides but to suggest a theology that can get beyond not between the heteronomy and autonomy that seem to exhaust the present theological options Clark Pinnock serves as the chief protagonist because of his role as a leading figure in the Openness of God movement Because his own development can be described as a pilgrimage from Calvinism to Arminianism to open theism the present work is able to offer its sympathetic critique in the form of an invitation that we continue to journey in the spirit of openness beyond both heteronomy and autonomy towards a view of divine and human freedom that is covenantal participatory and unlimited
