Reincarnation For The Christian:

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same Reincarnation as a Christian Hope Geddes MacGregor, 1982-06-18 **Reincarnation in Christianity** Geddes MacGregor, 1990-03-09 In this exciting landmark work MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems **Reincarnation for the Christian** Quincy Howe, 1974 *Nothing Merciful Than Reincarnation* Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God s will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God s law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God s demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God s salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17 20 21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels

reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The Bible clearly states that David himself will be reincarnated in the Last Days Hosea 3 4 5 Ezekiel 34 13 24 Ezekiel 37 22 24 Jeremiah 30 1 9 In Acts 15 12 19 the apostle Peter equated rebuilding David's fallen tent with the resurrection of Jesus body In the Bible tent is a metaphor for the human body 2 Corinthians 5 1 2 Peter 1 12 13 Part 8 provides references resources and links related to reincarnation and Christian reincarnation in particular Internet links to websites provided include reincarnation main websites and researchers references

Can Reincarnation and "Near Death Experiences" be Christian? Patricia Hofer, 2017-07-14 If you are a Christian who is satisfied by the conventional views of heaven and hell don't read this book However if you feel there are more possibilities for the afterlife than streets of gold and fiery infernos Can Reincarnation and Near Death Experiences be Christian just might include the answers you've been seeking What if the Bible contains the possibility of an intermediate and temporary place a tarrying place for continuing life the Bible shows that some human spirits have returned from that intermediate place throughout human history the living soul of Genesis the one inspired by God's immortal breath of life is the spirit of consciousness that survives the body as some recent neuroscience research indicates the Bible and Christian believing already contain the possibility for a reprieve for a purifying process a place where we meet and recognize other individuals the forgiveness of seventy times seven required by God is offered by God Wouldn't that open the door to more opportunities many stages of progress After seven books chronicling her Christian walk with the living Savior Patricia Hofer thought she was done writing But the Lord apparently had a different plan These what ifs are the focus of Hofer's eighth book and of her original and compelling research

Reincarnation for Christians John W. Sweeley, 2013 Why Christians Should Believe in Reincarnation Reincarnation was an accepted belief by the great minds of antiquity In Greece Plato was influenced by earlier classical Greek philosophers such as Pythagoras 6th cent BCE while Reincarnation was both believed and taught by Jesus and many Church Fathers through the 8th century as well as in Hebrew texts and mystical traditions throughout the middle ages In Reincarnation for Christians Monsignor Sweeley proves that reincarnation was accepted by Jesus according to Holy Scripture was accepted and taught by the Church Fathers as a doctrine of the faith and is believed today by many Christians Moreover he makes clear why there is no conflict between the atonement of Jesus and Jesus as the redeemer of humanity with the necessity of living many lives before we attain salvation In this timely book about reincarnation and the Christian tradition Monsignor Sweeley gives us an eye opening look into an issue that has been long ignored by mainstream Christian churches Most Rev Alan R Kemp D Min CEO The Ascension Alliance Msgr Jack Sweeley has

amassed an enormous collection of information about the belief called reincarnation He includes evidence in support of reincarnation from the Christian Scriptures as well as from the Dead Sea Scrolls and the Nag Hammadi Library He cites and quotes notables from all walks of life and periods of history who have shared a belief in reincarnation Bishop Bernie O Finch D C EMD DD As a believer in reincarnation I was amazed at the information that literally packs the pages of Monsignor Sweeley s book As you will find reincarnation is not just New Age but has been a major belief in one form or another for thousands of years Katy O Ishee author of Pieces of My Heart and Gemini s Galaxy Msg Sweeley s brilliantly researched and comprehensive treatment of the Judeo Christian roots of Reincarnation will change your entire perspective on the subject K Michael Murphy M A DDS In these powerfully transformative times many in the Western world are accepting this doctrine and others are eager to know more about the Christian church s position on this subject Sri Swami Shankarananda Giri Divine Life Church Baltimore MD May a Christian Believe in Reincarnation? Abbot George (Swami Nirmalananda Giri), 2016-02-05 A growing number of people are open to the subject of past lives and the belief in rebirth reincarnation metempsychosis or transmigration is becoming commonplace But it often thought that belief in reincarnation and Christianity are incompatible But is this really true May a Christian believe in reincarnation The answer may surprise you Reincarnation also known as the transmigration of souls is not just some exotic idea of non Christian mysticism Nor is it an exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation Included in this second edition is Annie Besant s article on various scientific moral and historical aspects of reincarnation from a Christian perspective **Reincarnation, Oblivion or Heaven?** Bobby Bose, 2016-07-31 What is death Why do we die and what happens after we die Over the centuries philosophers and theologians of the world s religions have offered answers to the dilemma of death yet this subject is rarely given the detailed attention it deserves in the contemporary Christian church As Christians how does our view of death impact the communication of the gospel in today s pluralistic societies In this study Dr Bobby Bose not only develops a solid biblical theology of death he also reviews the teachings of contemporary and historical Christian theologians around the world and examines the state after death beliefs of Hindus Muslims and Secular Humanists The author shows that state after death was a central component of conversation in the early church and is also a major component of God s mission to rescue humanity As the East converges with the West it is vital that Christians develop a missiological approach to state after death that will encourage positive engagement with

people of other faiths and beliefs *Reincarnation in the New Testament* James Pryse, 2021-08-24 Are any other cases of reincarnation instanced in The New Testament besides that of Elijah as John Was Jesus in fact a reincarnation of one of the ancient Seers Answers to these controversial questions are laid down by James Pryse in this short and insightful piece of literature Pryse interprets verses from the Bible regarding the debate of whether John the Baptist is a reincarnation of Prophet Elijah and whether he will be resurrected for the preparation of the Second Coming He dissects the philosophy of reincarnation not only in the case of particular men but also as a law of life that applies to all men displaying how it s a core belief in the Christian faith Widely believed misconceptions are addressed in this book as Pryse reveals the true meaning behind Bible verses of which he says The only legitimate conclusions that can possibly be drawn from them have almost universally been ignored He corrects these misconceptions aiming to rid Christianity from medieval fallacies and bridge the gap between Christian religion and religion of the Christ restoring faith to its purest form
