Releasing an Independent Record Gary Hustwit, 1993 Punk Record Labels and the Struggle for Autonomy Alan O'Connor, 2008-01-01 Unlike studies that consider punk as subculture and style this innovative book maps the field of punk rock labels Using the ideas of Pierre Bourdieu it describes the social life of the field and the struggles of punks to live up to their ideals Get it in Writing Brian McPherson, 1999 Confused by today's music business Did you ever wish that that some super knowledgeable music attorney would sit you down and explain the whole thing to you Well that's what this book is all about Get It in Writing is actually three books in one 1 An overview of the entire music business and the players involved 2 Interviews with top industry professionals and 3 A huge collection of sample agreements with extensive commentary from the author This indispensable book covers recording contracts demo deals copyrights and trademarks music publishing performance rights motion pictures and TV artist management producers band partnerships and plenty more All of this info coupled with expert insider advice makes this book every musician's best tool for success in the music business **Making a Living in Your Local Music Market** Dick Weissman, 2010-04-14 Making a Living in Your Local Music Market is a Hal Leonard publication **The Music Business** Dick Weissman, 2011-04-20 The Must Have Guide for Breaking into the Music Business Completely revised and updated for the twenty first century The Music Business provides essential career advice and information on how to get started and advance in all areas of the music industry from an author who's had careers in music as an artist and professor for more than two decades This comprehensive volume gives you guidance and information on Starting your music career The ins and outs of recording contracts Record producing and music engineering The distribution and sale of records The Internet and MP3s and their effects on the music industry The latest computer programs Copyright law Composing music and songwriting Music education The international music industry And much more The Music Business is an indispensable reference for anyone who wants to begin a career in any of the industry's facets as well as an invaluable aid to professional and would be professional musicians alike The Musician's Guide to the Internet Todd Souvignier, Gary Hustwit, 2002 This book was the first internet guide specifically written for musicians Now fully revised and updated the second edition is loaded with even more practical information on how to take full advantage of all the information age has to offer Topics covered include equipment requirements getting online e mail chat IRC and instant messaging MP3s and compressed audio how to build your first website internet radio and streaming audio file sharing selling music online building web traffic and more A musician and software executive Todd Souvignier is co founder and CTO of Exploit Systems Inc His writing has appeared in Mix and Electronic Musician magazines Gary Hustwit is the author of *Releasing an Independent Record* and *Getting Radio Airplay* He has written for Billboard and Guitar World *Billboard*, 1995-09-30 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about

the latest music video gaming media digital and mobile entertainment issues and trends **Bibliographic Guide to Music**
New York Public Library. Music Division,1994 Sells like Teen Spirit Ryan Moore,2009-12-01 This account of modern rock
music skillfully articulates the brutal social truths that compel young people to create meaning and subculture out of chaos
Donna Gaines author of Teenage Wasteland In Sells Like Teen Spirit Ryan Moore tells the story of how music and youth
culture have changed along with the economic political and cultural transformations of American society over four decades
By attending concerts hanging out in dance clubs and after hour bars and examining the do it yourself music scene Moore
gives a riveting first hand account of the sights sounds and smells of teen spirit Moore traces the histories of punk hardcore
heavy metal glam thrash alternative rock grunge and riot grrrl music and relates them to wider social changes that have
taken place Alongside the thirty images of concert photos zines flyers and album covers in the book Moore offers original
interpretations of the music of a wide range of bands including Black Sabbath Black Flag Metallica Nirvana and Sleater
Kinney Written in a lively witty style Sells Like Teen Spirit suggests a more hopeful attitude about the ways that music can be
used as a counter to an overly commercialized culture showcasing recent musical innovations by youth that emphasize
democratic participation and creative self expression even at the cost of potential copyright infringement Brilliantly situates
the histories of several musical styles within the political economic and social changes that led to the development of an
