Return To Treasure Island:

Silver Andrew Motion, 2012-05-29 July 1802 In the marshy eastern reaches of the Thames a young boy spends his days roaming the mist shrouded estuaries and listening to his father's tales of adventures on the high seas of curses murder and revenge black spots and buried treasure and of a man with a wooden leg It's almost forty years after the events of Robert Louis Stevenson's *Treasure Island* Jim Hawkins now runs an inn called the Hispaniola on the English coast with his son Jim and Long John Silver has returned to England to live in obscurity with his daughter Natty Their lives are quiet and unremarkable their adventures have seemingly ended But for Jim and Natty the adventure is just beginning One night Natty approaches young Jim with a proposition return to *Treasure Island* and find the rest of the treasure that their fathers left behind so many years before Jim joins Natty aboard a ship the *Nightingale* and the new friends set out to sail in their fathers footsteps But their journey is fraught with murderous pirates long held grudges and greed and deception lurking in every corner When they arrive on *Treasure Island* they find terrible scenes awaiting them and difficulties which require all their wit as well as their courage Nor does the adventure end there since they have to sail homeward again Andrew Motion has written a truly accomplished work of literature rollicking heartfelt and utterly brilliant that would make Robert Louis Stevenson proud
